

Global Research: Independent News in a Polarized World

By [The Global Research Team](#)

Global Research, April 23, 2020

At Global Research, our mandate is to increase awareness on the broadest possible level while maintaining full independence in our reports and analyses. In an increasingly polarized world, independent news and analysis is a vital tool for examining issues from a non-partisan perspective.

Our commitment is to make our articles and videos available to the broadest possible readership, on a non-commercial basis, without the need for a login for paid subscribers. You can help us in this project by making a financial contribution below, or by sharing our articles far and wide via social media, e-mail lists, blog sites, etc. We thank you for your essential support!
