

## Global Research: More Than Meets the Eye

By [The Global Research Team](#)

Global Research, January 11, 2019

At Global Research we have always sought out ways to expand our reach and make the information we publish accessible to as many people as possible. From humble beginnings, we have grown to encompass GlobalResearch.ca, Mondialisation.ca (in French), Globalizacion.ca (in Spanish), Asia-PacificResearch.com (with focus on the Asia-Pacific region), the Global Research News Hour radio show, a series of Global Research TV productions, and a number of incisive books brought out via Global Research Publishers.

It has been no easy task to develop and maintain this structure. Moreover, as a result of the relentless campaign against the independent online media, **we have been unable to cover our costs for several months now**. If, like us, you value these online services, we kindly ask you to consider making a [donation](#) or [taking out a membership](#) with us so that we may keep these platforms open and accessible to all. We cannot weather the storm alone, can you [lend a hand](#) to keep GlobalResearch.ca afloat?
