Global Research, August 02, 2023

Dear Readers,

We are one month away from Global Research's 22nd anniversary.

For 21 years, we have published independent news and analysis, on a daily basis.

More than 100,000 articles have been released. Out thanks to more than 10,000 authors.

Despite censorship, we are committed to reaching out to a large readership Worldwide.

Please help us protect our future, donate to Global Research or become a member.

Alternatively, you can help us reach as many people as possible (forwarding, referral of GR articles to friends and colleagues, crossposts, social media, etc). We send two [newsletters](#) during a weekday and one on the weekend. We are active on social media. We are doing our best to circumvent all forms of censorship but only an army of readers and supporters can get us through it.
