Global Research, March 05, 2019

Dear Readers,

With almost 1 million monthly visits to our website, and over 50,000 subscribers to our daily newsletter, during the last year we received contributions in the form of donations and paying memberships from only a small fraction of our readership. We are of course deeply grateful to all those who have come to our aid so far. However, if you value our work, we strongly encourage you to [make a contribution](#) if you have yet to do so. Financial support is crucial to the continuation of our activities at this stage, we currently do not cover our monthly costs.

Keep GlobalResearch.ca online and accessible to all, make a donation or become a member by clicking below now!
