

Global Research Provides Penetrating Analysis of World Events

By [The Global Research Team](#)

Global Research, June 22, 2020

Dear Readers,

Our annual Global Research fundraiser was launched last week. We would like to thank all of you who have contributed so far. We still have a long way to go to reach our target of \$20,000 over the next 3 weeks however. If you are in a position to make a donation or become a member, we need your support!

Global Research is not only a news and analysis website, but also a place for academic research and reflection. In supporting our website, you are also helping to preserve a freely available archive of academic thought with contributions from scholars and scientists the world over. In 2008, Global Research was awarded The First National Prize of the Mexican Press Club, for the “Best Research Website” at the international level.

Global Research is a much-needed and potent antidote to the massive doses of

disinformation administered to us daily by the mainstream media, including newspapers, television, and of course online media. I urge you to subscribe to the [Global Research newsletter](#) and, if at all possible, to [support Global Research](#) financially.

Dr. Jacques R. Pauwels, renowned author and historian

Global Research provides penetrating analysis of world events. The articles published by this invaluable website pull no punches in reporting on global power relations.

Prof. Marjorie Cohn, Professor Emerita, Thomas Jefferson School of Law

Please help us keep this virtual public access library of thought & analysis, with an archive of over 50,000 articles, open and freely available to the general public by clicking below:
