We are witnessing accusations of anti-semitism, in colleges and universities, coupled with police intervention, arrests, prison sentences, for all those who act in solidarity with the people of Palestine.

But there something very fishy going on.

While Western governments are actively repressing the protest movements against Israel's act of genocide, —with mass arrests on charges of antisemitism—, those same governments are supporting Ukraine's Nazi movement which actively participated and collaborated with Nazi Germany in the genocide directed against the Jewish population of Ukraine during World War II.

Sounds contradictory?

My question is: Who are the Anti-semites? The answer is obvious.

Our Western governments (including the majority of NATO member states), which are generously financing the Neo-Nazi regime in Kiev are Anti-Semitic.

From a legal standpoint, this is a criminal act on the part of our governments, which should be opposed by a vast social movement in all NATO member States.

The dominant Nazi faction within the Kiev government regime (which is supported by our governments) exerts its power within the realm of intelligence, internal affairs, national security and the military.

Amply documented, [the 2014 US sponsored EuroMaidan US Sponsored Coup d'Etat was carried out with the support of these two Nazi factions](#): Svoboda and Right Sektor headed by Dmytro Yarosh, which have committed countless atrocities directed against Ukraine's Jewish community.

Andriy Parubiy founded in 1991 the Social-National Party of Ukraine (subsequently renamed Svoboda [Freedom], together with Oleh Tyahnybok. Parubiy was subsequently appointed Chairman of Ukraine's Parliament (Verkhovna Rada).

According to Andriy Parubiy: Adolf Hitler was "the torchbearer of democracy".

"I'm a major supporter of direct democracy,... By the way, I tell you that the biggest man, who practised a direct democracy, was Adolf Aloizovich [Hitler]". (quoted by South Front)

The Holocaust in Ukraine

Ukraine's Nazi movement collaborated with Nazi Germany in the early 1940s. The Organization of Ukrainian Nationalists (OUN) participated in the killings of Ukraine's Jewish Population.

The map below is the territory under Nazi Germany occupation (recorded in 1942) extending from Galicia to Kiev and Odessa.

It indicates cities with Jewish ghettos, as well as the locations of major massacres.

According to the [WW II Holocaust Museum](#):

“Before World War II, the 1.5 million Jews living in the Soviet republic of Ukraine constituted the largest Jewish population within the Soviet Union, and one of the largest Jewish populations in Europe. ... The number of Jews in the Ukrainian Soviet Republic (UkrSSR) rose to 2.45 million people [from 1939-1941]”

Amply documented the OUN-B and its National Insurgent Army (UPA) were actively involved in the massacres of Jews, Poles, Communists and Roma in major cities including Odessa and Kiev.

At the outset of Operation Barbarossa, (June, 22 1941) in coordination with the death squads (*Einsatzgruppen*) of Nazi Germany, members of the OUN-B were instrumental in the killings in the City of Lviv, Western region of Galicia, resulting in the massacre and deportation of more than 100,000 Jews:

[“The Lviv pogroms were the consecutive pogroms and massacres of Jews in June and July 1941 in the city of Lwów.](#) (Lviv, Lvov) in German-occupied Eastern Poland/Western Ukraine (now Lviv, Ukraine). The massacres were perpetrated by Ukrainian nationalists (specifically, the OUN), German death squads (*Einsatzgruppen*), and urban population from 30 June to 2 July [1941].”

The members of OUN-B actively collaborated with the Wehrmacht's occupation forces

(1941-1944).

In Ukraine: “..up to a million Jews were murdered by Einsatzgruppen units, Police battalions, Wehrmacht troops and local Nazi collaborators” (emphasis added)

On September, 1 1941, the Nazi-sponsored Ukrainian newspaper *Volhyn* wrote, in an article titled Let’s Conquer the City, namely Lviv:

“All elements that reside in our land, whether they are Jews or Poles, must be eradicated.

We are at this very moment resolving the Jewish question, and this resolution is part of the plan for the Reich’s total reorganization of Europe.

The empty space that will be created, must immediately and irrevocably be filled by the real owners and masters of this land, the Ukrainian people”.(emphasis added)

The map below is the territory under Nazi Germany occupation (1942) extending from Galicia to Kiev and Odessa.

It indicates cities with Jewish ghettos, the locations of major massacres.

In this regard, the Janowska concentration camp was established in the outskirts of Lviv in September 1941.

Lviv had a Jewish population of 160,000. The Janowska camp combined “elements of labor, transit, and extermination”.

“By the time Soviet forces reached Lviv on 21 July 1944, [less than 1 per cent of Lviv’s Jews had survived the occupation](#)” (emphasis added)

“By the time Soviet forces reached Lviv on 21 July 1944, [less than 1 per cent of Lviv’s Jews had survived the occupation](#)” (emphasis added)

What this means is that our governments -which claim to be firmly committed to social democracy- are actively supporting and financing The Neo-Nazi Kiev Regime.

Specifically, [the German penal code](#) prohibits “The Denial of the Holocaust” as well as the “dissemination of Nazi propaganda”.

We are dealing with something far more serious than Nazi “hate speech”, namely the relationship of the German Government with the Kiev regime’s Nazi Movement.

Our governments, including the totality of NATO member states have been instructed by Washington to SUPPORT and SPONSOR Ukraine’s Neo-Nazi regime, which came to power in 2014. in the wake of a US sponsored coup d’Etat.
