Whereas:

On January 9, 2020, Radio Canada’s flagship newscast “Enquête” reported on the “Ottawa Initiative on Haiti” held at the Meech Lake Government Complex on January 31 and February 1, 2003;

No Haitian officials were reportedly invited to the private meeting. Officials from the United States, France, Canada, and the Organization of American States in attendance reportedly discussed the replacement of Haiti’s elected government, the UN intervention, and the **re-creation of the Haitian military, consistent with events that occurred 13 months later;**

Investigation suggests that the “Ottawa Initiative on Haiti” gave rise to the “Core Group”, an alliance of foreign ambassadors in Port-au-Prince that many Haitians believe to be the real power behind President Jovenel Moïse;

Ten years after the earthquake, there is a demand for accountability for alleged misuse of relief funds during the same period when Haiti is said to be effectively under the rule of the so-called “Core Group” that is said to have brought to power the governments of Martelly and Moïse, who are accused of corruption and repression.

We, the undersigned, citizens and residents of Quebec and Canada, ask the House of Commons:

1. To publish all documents related to the “Ottawa Initiative on Haiti”;
2. To hold a hearing of the Standing Committee on Foreign Affairs and International Development to determine the precise ins and outs of the “Ottawa Initiative on Haiti”, including the link with the “Core Group”.
