7月29日 3回目接種（ファイザー）

3日後、ベッドの上で死亡が発見

死因 心筋炎

1回目2回目はモデルナ打ったとのこと。ファイザーなら心筋炎リスクが少ないと思ったのでしょうか・・・。

先ほどの11才に続き、10代の接種後の死亡の公表が続き、精神おかしくなる。

Cause of death myocarditis

It is said that he hit Moderna for the first and second time. Did you think that Pfizer would reduce the risk of myocarditis?

Following the 11-year-old mentioned earlier, the announcement of teenage post-vaccination deaths continues, and it makes me crazy.

Japan (Author: Nushida) – 14 year old girl died 2 days after Pfizer COVID-19 mRNA jab, Dec. 2022 ([click here](#))

USA (Author: Gill) – Two teenage boys died within week of 2nd Pfizer COVID-19 mRNA jab, both died of myocarditis ([click here](#))

My take...

Parents of teenagers who were pressured into getting COVID-19 vaccinated should have this kind of documentation in their legal files.

Some of these cases are starting to **disappear from the internet.**

These are cases where the time from COVID-19 vaccination to death was relatively short. What we are seeing now in 2023, as my previous substack article detailed, is a tsunami of sudden deaths in COVID-19 vaccinated young people **who weren't recently vaccinated.**

And that's very troubling, because we are now seeing the longer term adverse effects of COVID-19 mRNA vaccination that were never studied.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
