Hillary Clinton has serious health problems.

She needs stools and pillows at hand constantly. She wants to debate Trump sitting down.

GrrrGraphics.com has been shut down again for the third time!
Each time the website was suspended was when a **Hillary Clinton cartoon went viral!**

Apparently Hillary Clinton and her internet minions do not believe in freedom of speech. The website had a large amount of traffic this morning, but bandwidth was not an issue! We are working on getting the site back up. Will keep you updated. Thank you for the support!
