Dr. Dietrich Klinghardt, born in Berlin in 1950, is a German medical doctor, a scientist and teacher. He practices foremost in the US, but also gives regular seminars in Germany (See [this](#)).

In the following one-and-a-half-minute video, Dr. Klinghardt says it all. What to do to totally control, dumb and eventually kill people: You spray their food with Glyphosate (Bayer/Monsanto), contaminate the air with aluminum dust from chemtrails (see [this](#)), and add some more aluminum to vaccines, for example Covid-19 injections, actually they are not vaccines.

The US CDC has only granted manufacturers of the mRNA-type inoculations temporary permissions to call them “experimental gene therapy”. They are not to be named vaccines. If governments, the media and the medical community at large does it anyway, they are lying to you.

What is further needed, Dr. Klinghardt says, are certain electromagnetic frequencies (5G), to kill the detox enzymes in your body. And precisely these frequencies are brought to us via our cell-phones, to which 99% of people living in western societies are virtually “married”.

In conclusion, he observes, that behind such a diabolical plan, there must be evil scientists and evil politicians. See the video (in German with English translation) below or [here](#).

What to do? Abstain from taking PCR tests which have nothing to do with actually detecting the never isolated SARS-CoV-2 virus. They are based – unnecessarily – on taking slime samples from way up in your nose, touching the thin membrane that separates your sinuses from the brain. You may bet that the tests have another agenda. The “tests” potentially could introduce chemicals into your brain which dull your Pineal gland, so as to diminish and eventually kill your sensibility and sensitivities.

What these non-vaxxes also do, is they have a strong sterilizing effect on women and drastically reduce men's sperm count. It all fits in with the eugenists agenda of massive depopulation.

What to do? Simple. Abstain and don't let yourself be coerced into taking PCR tests and mRNA-type experimental gene therapy jabs.

Yes, you may be temporarily confronted with many restrictions for travel and attending public events. Stick it out. This crime of epic proportions is in the process of being laid open. Lawyer **Dr. Reiner Fuellmich**, and his team of the international-German Corona Investigative Committee has already begun filing class-action suits in Canada and the US, and is suing institutions and individuals in Germany and in Europe at large.
