*As I posted this morning, Florida’s governor **Ron DeSantis** pulled the rug out from under the lying scum that constitutes the American medical establishment by establishing throughout Florida medical centers that cure Covid instead of spreading it with vaccination. Now it has happened again. This time in faraway India.*

The Indian Bar Association is charging WHO chief scientist **Dr. Soumya Swaminathan** with the mass murder of Indians. Dr. Swaminathan spoke against the use of Ivermectin in the Tamil Nadu province with the consequence that Ivermectin’s use was blocked and Covid cases skyrocketed with deaths increasing ten-fold.

In the provinces where Ivermectin was used—Delhi, Uttar Pradesh, Uttarakhand, and Goa—Covid cases declined sharply by 98%, 97%, 94%, and 86%. This success, which cleared large areas of India from Covid, was kept from you by the New York Times, Washington Post, CNN, MSNBC, NPR, AMA, Biden, Schumer, Pelosi, and the rest of the criminals who control the narrative.

Acting for the Indian Bar Association, **Dipali Ojha** said the WHO official is accused of misconduct because she used her position as a public health official to further the agenda of special interests to maintain an Emergency Use Authorization for the lucrative vaccine industry.

Dipali Ojha further stated that the Indian Bar Association is bringing action under section 302 of the Indian Penal Code against Dr. Soumya Swaminathan and others, for murder of each person who died due to obstruction of treatment of Covid patients with Ivermectin. Punishment under section 302 of the Indian Penal Code is death or life imprisonment.

Well, finally, the beginning of accountability for the orchestrated “Covid Pandemic.” As I have emphasized for some months, Dr. Fauci, NIH, CDC, WHO, FDA, the presstitutes, and the politicians have used Covid to kill and injure large numbers of people for the sake of billions of dollars in Big Pharma vaccine profits. The health authorities, whore media, and scum politicians have lied through their teeth and prevented the use of known, safe cures.

Not a single person needed to die or have health impaired by the virus. They were murdered in order to generate fear and panic to drive vaccine profits, insure the destruction of civil liberty, and perhaps serve the darker agenda of population reduction.

[Here is a report](#) of the legal action taken against WHO officials.

Wouldn't it be wonderful if the American Bar Association had the integrity and courage to bring charges against, or at least sue, Fauci, Walensky, FDA, NIH, CDC, the governor's who criminally imposed lockdowns and harmful mask mandates, and the criminal medical organizations and associations that aided and abetted mass murder by blocking Ivermectin and HCQ and punished the doctors who saved lives by prescribing these totally safe medications.

We are faced with the situation in which official government and private organizations in the US, UK, and EU are greater mass murderers than Pol Pot! And nothing will be done about it. The West is so undemocratic that accountability is impossible.

The criminals in charge are about to illegally bestow final approval on the killer vaccines so that they can continue serving their agendas with mass inoculation with a vaccine that is known both to kill and to spread the virus.
