*We are in an era of Pax Americana where peace supposedly exists under the hegemony of the global superpower, the United States. But the years of American leadership have rather brought more wars, hostilities and chaos than one can remember. Rampant state surveillance, military alliances (against an imagined threat and enemy), international law violations, war crimes, etc. define the current state of nature.*

*The US, self-proclaimed bastion of democracy and freedom, deprives its citizens of their individual rights and personal freedom. Is this the future we want for our kids and grandkids? Decide on the future by acting on the present.*

*On Global Research, it is our intention to continue to relentlessly promote independent and authoritative voices that speak out on issues which are deliberately neglected or distorted by the corporate media.*
