TEHRAN (FNA)- *Iraqi volunteer forces, Hashid Shaabi, found Israeli-made weapons in a position of the Islamic State of Iraq and the Levant (ISIL) terrorists in Anbar province on Thursday.*

According to Al-Mayadeen television, the Iraqi volunteer forces found Israeli-made weapons in an ISIL position in al-Karmah city in Anbar province.

The ISIL Takfiri terrorists currently control shrinking swathes of Syria and Iraq. They have threatened all communities, including Shiites, Sunnis, Kurds, Christians, Ezadi Kurds and others, as they continue their atrocities in Iraq.

Senior Iraqi officials have blamed Saudi Arabia, Qatar, and some Persian Gulf Arab states for the growing terrorism in their country.

The ISIL has links with Saudi intelligence and is believed to be indirectly supported by the Israeli regime.
