*The Zionist issue is not complicated when seen through a wider lens. Israel is a settler-colonial entity. It is an apartheid state in complete violation of international laws and standards.(1)*

Since 1948, the Zionists have been ethnically cleansing, walling-in, and terrorizing the indigenous Palestinians.

Right now, by way of deception, by pretending they are the victims, (the Hamas attack was orchestrated by Zionist intelligence entities)(2) Zionists are wiping out, slaughtering, and mass-murdering innocent civilian Palestinians trapped in the world's largest open air concentration camp, Gaza.

Netanyahu has admitted to supporting Hamas with a view to balkanizing Palestinian unity and to preventing the establishment of a Palestinian state. In a March 2019 meeting of his Likud Party's Knesset members he stated publicly that,

**"Anyone who wants to thwart the establishment of a Palestinian state **has to support bolstering Hamas and transferring money to Hamas** ... This is part of our strategy - to isolate the Palestinians in Gaza from the Palestinians in the West Bank."** (3)

All western media stories about this on-going catastrophe will be lies and deceptions. This is the unstated policy of Western media. It is colonial/imperialist war propaganda.(4)

The current genocide is also part of a bigger story. Lest we forget, Israel also supports al Qaeda and ISIS and criminal terror bombings against Syria and Syrians, all beneath a smokescreen of mainstream war propaganda.(5)

Western governments are a disgrace and an abomination for supporting this genocide, as they do, through their silence, their war propaganda, their political, financial, and military support.
