In-depth Report: [SYRIA](#)

*Israeli Defense Minister Moshe Ya'alon admitted Israeli support for ISIS and other takfiri terrorists, calling them Syrian rebels - failing to explain they're imported from scores of countries... There are no so-called "moderates" among them.*

*Since Obama waged war on Syria in March 2011, Israel bombed government targets multiple times. It continues supplying terrorist elements with weapons, munitions and other support.*

*Over 1,000 of their wounded fighters were treated in Israeli hospitals, helping them recover to resume waging terror on Syria.*

Ya'alon claiming Israeli policy excludes "getting involved in the Syrian war" is a lie.

Israel's long-range goal is unchallenged regional hegemony, independent governments eliminated in Syria, Iran and Lebanon, area nations balkanized into mini-states for easier control, undeclared Israeli borders expanded to incorporate territory of neighboring states.

On November 24, [The Voltaire Network](#) said journalist Sharri Markson got firsthand accounts from wounded jihadist terrorists receiving treatment at Israel's Ziv Medical Centre, "specialising in war traumology...government-run and linked to the Israeli Defence Forces."

Their recovery is aided to help them "continue the jihad in Syria." Israeli security forces detained and interrogated her in a "heavy-handed" way for exposing what they want kept secret.

In September 2014, a photo of Netanyahu and Ya'alon visiting terrorists receiving care in an Israeli hospital went viral online - Netanyahu seen shaking a terrorist's hand.

According to the al-Araby al-Jadeed newspaper, "Israel has in one way or another become the main marketer of ISIS oil. Without them, most ISIS-produced oil would have remained going between Iraq, Syria and Turkey. Even the three companies would not receive the oil if they did not have a buyer in Israel."

In October, Iraqi security forces captured an Israeli colonel, Yuri Oulen Shahak, working directly with ISIS terrorists. He explained Netanyahu's criminality during interrogation, one more example of Zionist evil.

He directly "participated in the ISIL group's terrorist operations," according to Iraqi authorities.
