The utterly unforgivable Jewish Israeli-imposed Gaza Genocide continues remorselessly. By the end of 2024 Gaza Genocide deaths from violence and imposed deprivation are estimated to be as follows:

- 340,000 total deaths (as estimated by eminent Professor Devi Sridhar, chair, global health, University of Edinburgh), this including
 - 67,000 men,
 - 31,000 women and
 - 243,000 children (notably highly vulnerable under-5 infants who are 70% of avoidable deaths from deprivation in impoverished countries – see Gideon Polya, “Body Count. Global avoidable mortality since 1950”).

The World is moving to stop this carnage. To that end and for ultimate justice and reparations it is important to estimate the complicity of the citizens of key countries involved in the Gaza Genocide. Presently 96% of Gaza children feel that their death is imminent and almost half want to die as a result of the trauma. Prior to 7 October 2023, 25% of Australians were sexually abused as children as compared to 18% of Israeli children and 18% of American children, and children were 47% of the 2.3 million population of the Jewish Israeli-guarded Gaza Concentration Camp.

(A) Polling, electoral and other assessment of the complicity of Jewish Israeli, US, UK, and Australian citizens in the horrific, unforgivable and continuing Gaza Genocide and the mass abuse and mass murder of Gaza children, mothers, women and men.

(1) Apartheid Israel. Polling indicates that about 99% of Jewish Israelis support the killing, injuring and traumatizing, including those who want a temporary humanitarian cessation of the killing in exchange for 100 remaining Israeli hostages (noting that there are about 15,000 Palestinians in Israeli military prisons and that before 7 October 2023 there were 5.6 million Occupied Palestinians held hostage without human rights under highly abusive Zionazi military rule).

(2) Pro-Apartheid America. Expert polling in 2024 found that 30% of US Jews thought that Israel was committing genocide in Gaza, with younger respondents more likely to agree with the genocide accusation (38% of those under 44 versus 22% of those over 44). Fewer than 2% of Americans voted for presidential candidates opposing the Gaza Genocide in 2024: fervently pro-Apartheid Israel “finish the job” Donald Trump (Republican,49.7%), Kid

Killing Kamala (KKK) Harris of the Biden/Harris Administration that supplied Apartheid Israel with 75,000 tons of bombs (Democrat, 48.3%), Dr Jill Stein (anti-war Greens, 0.6%), Robert F. Kennedy Jr (Independent, 0.5%), Chase Oliver (anti-war but pro-Israel Libertarian, 0.4%), and Others (notably anti-war African American academic Dr Cornel West, 0.5%).

(3) Pro-Apartheid United Kingdom. While Apartheid Israel is a Zionazi-run democracy-by-genocide (democratic Nazism), the US, UK and Australia are duopoly corporatocracies and lobbyocracies in which Big Money buys public perception of reality, votes and hence more political power. While Australia has a world-leading and exquisitely fair compulsory and preferential voting system, the US and UK have non-compulsory voting and first-past-the-post electoral systems. Thus in the recent UK elections Labour won a landslide victory with 411 seats from 33.7% of the vote as compared to the Conservatives (121 seats with 23.7% of the vote) and the Liberal Democrats (72 seats from 12.2% of the vote). However the major UK parliamentary parties are united in their support for genocidally racist, Zionazi-run, child-, mother- and women-killing Apartheid Israel and hence for the utterly vile crime of Apartheid. Those supporting Apartheid Israel and hence neo-Nazi Apartheid (most members of the UK House of Commons) are utterly unfit for decent company, public life and public office in internally human rights-observant and one-person-one-vote democracies like the US, UK and Australia. While UK Establishment power, Zionist perversion, US subversion and mendacious Mainstream media mean that UK MPs overwhelmingly support genocidally racist and Zionazi Apartheid Israel, a small rump of decent Labour MPs (and a much greater proportion of Labour Party members) support Palestinian human rights.

(4) Pro-Apartheid Australia. For about 14 months the Centre-Right Australian Labor Government (together with the even worse climate criminal, pro-gas, pro-coal, Right- Far Right Coalition aka the COALition) has opposed an immediate and permanent Ceasefire in Gaza, a disgusting, child-abusing position adopted by all Federal MPs except for 15 Greens and 4 decent Independents, ex-Green Senator Lidia Thorpe, ex-Labor Senator Fatima Payman, Dr Helen Haines and Andrew Wilkie, a mere 19 out of a total of 227 Federal MPs (76 Senators and 151 Members of the House of Representatives) and representing only about 15% of Australian voters. Driven by fear of losing the Arab, Muslim and youth vote, the cowardly, unprincipled, Zionist perverted and US lackey Australian Labor Government after 14 months of blindly supporting Apartheid Israel has finally voted at the UN General Assembly (UNGA) for “an immediate, unconditional and permanent ceasefire” and “Israel [to] end its unlawful presence in the Occupied Palestinian Territory”. However after an utterly deplorable Melbourne synagogue arson in Melbourne and arson of cars and anti-Israel graffiti in Sydney (all by persons unknown), Labor joined the racist Zionist chorus of “antisemitism”, “terrorism”, “hate speech” and “damage to social cohesion” and is moving to further constrain free speech and the huge weekly national Sunday Rallies for Palestinian human rights (in Melbourne, 12 noon, Victorian State Library, every Sunday since 7 October 2023). The Australian Labor Government is complicit in the Gaza Genocide in 20 ways and lies for Apartheid Israel in 35 ways – the racist Coalition Opposition is even worse.

(B) How Apartheid Israel and the pro-Apartheid Israel and hence pro-Apartheid US, UK and Australia voted on 16 Palestine-related Resolutions at the UNGA in 2024. Resolution #13 about “Assistance to the Palestinian People” was passed by consensus. In relation to the other 15 Resolutions (at Plenary Sessions or at pre-Plenary Committee), Apartheid Israel voted No to all 15, and the US voted No to all except for #3 (“Assistance to refugees”) on which it Abstained. The UK and Australia importantly mostly voted Yes, and in particular voted Yes to “an immediate, unconditional and permanent

ceasefire” (#12) and “[Israel to] end to its unlawful presence in the Occupied Palestinian Territory” (#14), but nevertheless showed their continuing loyalty to genocidal and International Law-violating Zionazi Apartheid Israel by variously voting No or Abstaining for some other Palestine-related UNGA Resolutions upholding International Law (Australia 5 and the UK 6).

For details, documentation and **to quickly find how your country voted** on these 16 Palestine-related 2024 UNGA Resolutions see Gideon Polya, “Sanction Zionazism: 99% Of US-, UK- & Australia-backed Jewish Israelis Support Gaza Genocide & Mass Murder Of Children”, [Countercurrents](#), 20 December 2024:.

The Gaza Genocide must be halted NOW and the Jewish Israeli perpetrators made to immediately leave Gaza and all Occupied Territories to permit entry of (a) life-sustaining water, food, winter clothing, shelter, sanitation, electricity, fuel, medicine, and medical care teams, (b) UN peacekeepers to keep order and protect the surviving population and service providers, (c) reconstruction teams and materials for vital housing and infrastructure reconstruction, and (d) forensic teams to determine all who have died and how they died. The World must apply rigorous and comprehensive Boycotts, Divestment and Sanctions (BDS) against Apartheid Israel and all its supporters – all the people, politicians, parties, collectives, companies and countries complicit in this horrific atrocity.

It is Christmas and my article included the following Letter I sent to major Mainstream media of Zionist-perverted Australia (it was rejected of course): “About 2,000 years ago Jewish King Herod allegedly massacred all under-2 male Palestinian children in and about Bethlehem in the hopefully fictional Massacre of the Innocents (Holy Bible, Matthew 2.16). It is expertly estimated that by New Year’s Day 2025 about 340,000 Gazans (15% of the pre-war population and mostly children) will have been killed by Jewish Israeli-imposed violence and deprivation (eminent Professor Devi Sridhar, chair, global health, University of Edinburgh). The perpetrators and those complicit in this unforgivable atrocity through support of genocidal Apartheid Israel or through Silence have departed from decent Humanity and have utterly cursed themselves, their self-imposed curse being endlessly renewed every time they see their reflection and at the going down of the sun *and in the morning*”.
