UPDATE

Justin Trudeau has carried out **an illegal and criminal police operation** headed by [an unapproved interim police chief](#) against the Freedom Convoy. It started last Thursday, February 17th.

The measures taken included police violence, mass arrests, illegal freezing of bank accounts and the confiscation of truckers' vehicles.

Trudeau had invoked the application of the **1988 Emergencies Act** four days prior to the Vote in the House of Commons on Monday Evening.

On Tuesday, the Senate met and was requested by the government's representative to make a decision without having access to so-called 'secret information', a report which allegedly confirmed that the application of the Emergencies Act was required and justified.

Visibly there was absolutely no evidence to support a major police operation against the Freedom Convoy.

Trudeau is a Liar. He was informed on Tuesday (February 22) that the Senate might refuse to "rubber stamp" the extension of the Emergencies Act.

Also on Tuesday the Premier of Alberta launched a lawsuit directed against Trudeau:

*Kenney called the move - which Trudeau has argued is necessary to deal with a state of emergency caused by convoy protests and blockades - **"one of the biggest mistakes of any modern Canadian government."***

"Mistakes" is a polite understatement.

And on Wednesday February 23 Trudeau backtracked. He confirmed that the Application of the Emergencies Act was no longer necessary and that it would be revoked within ten days.

The article below pertains to Trudeau's accusations (without a shred of evidence) that the Freedom Convoy is Anti-semitic, **when the evidence amply suggests that Trudeau**

himself is Anti-semitic.

A group of 23 prominent Israeli doctors and scientists wrote an open letter to **Prime Minister Justin Trudeau** “chastising him for **equating demonstrators** participating in the Freedom Convoy to Nazis”.

“The important fight against antisemitism should not be weaponized and directed at a legitimate civil protest which aims at restoring fundamental freedoms, to what used to be, not long ago, one of the freest countries in the world,” [said](#) the group in a letter on Friday”.

But there is something else which the media has failed to acknowledge. The forbidden truth is that Trudeau is known to have supported the Neo-Nazi Svoboda Party in Ukraine which has committed countless atrocities directed against Kiev’s Jewish Community.

“Equating demonstrators to Nazis” when our Prime-Minster Justin Trudeau in 2016 welcomed **Andriy Parubiy** (left of Trudeau), leader of the Svoboda party to the House of Commons. (details in the article below).

All of this is on record. This is no joking matter.

I call upon Canada’s Jewish Community to take a firm stance on the matter.

Justin Trudeau is unceasingly referring to swastikas intimating that the Freedom Convoy organizers are not only supportive of Nazi symbols but are anti-Semitic.

And on February 16, he directed these wild accusations against the Conservative Party of Canada:

“Prime Minister Justin Trudeau was cautioned against using “inflammatory” language by the Speaker of the House of Commons on Wednesday **after he told Conservative MP Melissa Lantsman, who is Jewish, that her party stands with “people who wave swastikas.”**”

Ms. Lantsman, the MP for Thornhill, north of Toronto, told the House that Mr. Trudeau **“fans the flames of an unjustified national emergency”** and asked, “When did the Prime Minister lose his way?”

He responded by saying, **“Conservative Party members can stand with people who wave swastikas.** They can stand with people who wave the Confederate flag”. ([Globe and Mail](#))

In substance, **Trudeau is accusing Conservative Party members of being Neo-Nazis.**

Video: Trudeau has lost control of the situation

On February 2 Prime Minister Justin in a rather unusual and RIDICULOUS “twit” made the following declaration (allegedly adopted by a unanimous vote of the House of Commons). REALLY?

Justin Trudeau ✓

@JustinTrudeau

🇨🇦 Officiel du gouvernement - Canada

Today in the House, Members of Parliament unanimously condemned the antisemitism, Islamophobia, anti-Black racism, homophobia, and transphobia that we’ve seen on display in Ottawa over the past number of days. Together, let’s keep working to make Canada more inclusive.

The following video refutes Trudeau’s accusations

“Democracy with Neo-Nazi Characteristics”?

At the time of writing, the application of a [National Emergency](#) directed against **The Freedom Convoy 2022** is being debated in the House of Commons. According to Trudeau, the scope of the Emergency is “reasonable”, the measures do not encroach upon Canada’s Charter of Rights and Freedoms, says Trudeau.

The House of Commons is divided. The NDP has signified that it will be siding with the Liberal minority government.

Meanwhile, a major police initiative against the Freedom Convoy involving a high tech “Nazi style” special forces operation is contemplated by the Prime Minister Trudeau.

This decision should come as no surprise. Both **Prime Minister Trudeau** together with **Deputy Prime Minister Chrystia Freeland** (as part of Canada’s foreign policy) have “unofficially” supported Neo-Nazi politics in Ukraine.

Canadian officials who met with Ukrainian unit linked to neo-Nazis feared exposure by news media: documents

A year before the meeting, Canada's Joint Task Force Ukraine produced a briefing on the Azov Battalion, acknowledging its links to Nazi ideology.

Canadian officials who met with members of a Ukrainian battalion linked to neo-Nazis didn't denounce the unit, but were instead concerned the media would expose details of the get-together, according to newly released documents.

Is the Trudeau Government supplying weapons and training to the Neo-Nazi Azov Battalion?

Neo-Nazi politics in Ukraine is not a “Fringe Movement”, it is embedded in the military and national security apparatus, supported by the US and Canada.

According to the Ottawa Citizen (November 9, 2021)

“Canadian officials who met with members of a Ukrainian battalion linked to neo-Nazis **didn’t denounce the unit, but were instead concerned the media would expose details of the get-together**, according to newly released documents.

The Canadians met with and were briefed by leaders from the Azov Battalion in June 2018. **The officers and diplomats did not object to the meeting and instead allowed themselves to be photographed with battalion officials** despite previous warnings that the unit saw itself as pro-Nazi. The Azov Battalion then used those photos for its online propaganda, pointing out **the Canadian delegation expressed “hopes for further fruitful co-operation.”**

The Azov battalion which is part of Ukraine’s National Guard under the helm of the Ministry of the Interior is supported by Canadian tax payers.

Canada’s [military training cooperation agreement with Ukraine](#) has raised the concern of the Jewish Community. **The Friends of Simon Wiesenthal Center (FSWC)** “has called for an investigation by Canada’s Department of National Defence:

“We urge the Department of National Defence to immediately launch an investigation into the evidence that has been revealed by the George Washington University study and to develop new policies and procedures to **ensure that all foreign trainees receive some type of background check to eliminate the possibility of neo-Nazi or other extremist affiliation before receiving training from Canadian forces.**” (quoted in the [Jerusalem Post](#), emphasis added)

Who is Waving Swastikas?

Trudeau Accuses the Conservative Party of Supporting “People who Wave Swastikas.”

Does that not Describe Trudeau’s Relationship with Svoboda Neo-Nazi Party Leader Andrey Korubiy?

The leader of the Neo-Nazi party Svoboda **Andrey Korubiy** is a “political buddy” of our prime minister.

Andriy Parubiy co-founder of the Neo-Nazi Social-National Party of Ukraine (subsequently renamed Svoboda) was invited by Trudeau to Ottawa in 2016.

[Andriy Parubiy](#) believes that it was necessary “to introduce direct democracy to Ukraine, with Hitler as its torchbearer.”

Justin Trudeau invites Andriy Parubiy to Ottawa

Deputy Chairman of Ukraine's Parliament, Andriy Parubiy, visited Ottawa in February 2016, meeting with the prime minister. At that meeting (from left) are Ukraine's Ambassador to Canada Andriy Shevchenko, Verkhovna Rada Deputy Chairman Andriy Parubiy, Prime Minister Justin Trudeau and Member of Parliament Borys Wrzesnewskyj.

Andriy Parubiy is a supporter of World War II Nazi leader Stepan Bandera.

Anti-Semitism

While Trudeau accuses the Freedom Convoy of anti-semitism (without a shred of evidence), he is supportive of the Ukraine's National Guard which is integrated by Neo-Nazi elements.

Meanwhile (February 13), Trudeau confirmed that Canada will be "sending \$7.8 million worth of lethal equipment and ammunition to Ukraine".

Andrey Parubiy's Neo-Nazi party Svoboda is leading the campaign against Kiev's Jewish community. *Juden Raus!* (Jews Out!) is their motto.

The Jewish Community in Ukraine

Oleksandr Feldman president of the Ukrainian Jewish Committee, [accused the Svoboda party](#) in "engaging in anti-Semitic hate speech". [According to the Times of Israel](#): (January 2017 report)

Ukrainian nationalists [Parubiy's followers] in Kiev chanted "Jews out" in German at a New Year's Day march celebrating the birthday of a Nazi collaborator whose troops killed thousands of Jews.

Thousands attended the event in the center of the Ukrainian capital **celebrating Stepan Bandera, a leader of Ukraine's nationalist movement in the 1930s and '40s**. They held up his portrait while an unidentified person **shouted the anti-Semitic slogan on a loudspeaker**, prompting many participants to repeat it, a video published by the Federal News Agency showed.

Bandera's movement included an insurgent army which fought alongside Nazi soldiers during part of World War II. Supporters of Bandera claim they sided with the Nazis against the Soviet army, believing that Adolf Hitler would grant Ukraine independence.

In 2018, Parubiy was accused by the British media for praising Adolph Hitler

Andrey Parubiy was also received by the US Congress

Is it a matter of concern that Canadian forces dispatched by our government are training Nazi paramilitary forces in Ukraine?

There is ample evidence of Canadian and US support to Neo-Nazis in Ukraine going back to the 2014 Euromaidan,
