***The Beginning Was the End. Robert F. Kennedy, Jr. started strongly. He made many dynamic speeches condemning the New World Order of Vaxx, Die, Cover-Up.***

*He spoke in the United States and in Berlin, Germany. **Kennedy denounced the lies of various and sundry governments about the Covid-19 viruses and the regimes' need to strip people of their freedoms.***

*His book, *The Real Anthony Fauci: Bill Gates, Big Pharma, and the Global War on Democracy and Public Health* (Kennedy, Jr., Robert F. New York: Skyhorse Publishing, 2021) exposes the untruths used to justify their criminal behavior. To quote **Luc Montagnier**, Nobel Laureate and noted virologist,*

*"Dr. Joseph Goebbels wrote that 'A lie told once remains a lie, but **a lie told a thousand times becomes the truth.**' Tragically for humanity, there are many, many untruths emanating from Fauci and his minions. RFK, Jr. exposes the decades of lies."*

Another author, Ralph Pezzullo, in writing about Kennedy's book, said:

*"...Your future, your family's future, and the future of democracy are at stake."*

That's the issue. Democracy. Kennedy, according to *CNN* June 1, 2023, spoke to the New Hampshire legislature:

**"There's so many Americans who believe that the system now is rigged, the economic system, but also the political system, that the elections are fixed,"** he said in Concord. "And we ought to be, the Democratic Party particularly, ought to be making this election a template for democracy to our country and to the rest of the world."

[As the British say, Kennedy was "spot on" regarding the rigged electoral system. And the

need for reform. His remarks have sparked an all-out assault on him.]

**Attack the Attacker.** Otherwise, people might believe the truth spoken. On June 1, 2023, *The Guardian*, the suspect British “newspaper” wrote:

“Robert F Kennedy Jr, the conspiracy theorist and vaccine skeptic [challenging](#) Joe Biden for the Democratic presidential nomination, told an interviewer he had ‘conversations with dead people’ every day.”

In an undated Internet listing, the *Washington Post*, another questionable newspaper, stated:

“A lawyer and environmental activist, Kennedy Jr. is also a prominent anti-vaccine activist, [pushing](#) disproven claims that childhood vaccines are linked to autism and spreading misinformation about coronavirus vaccines.”

Continuing, on June 5, 2023, the *Post* (where Democracy has died in the paper’s Darkness) printed

“Kennedy was arguing that a [2019 tabletop exercise about a mock pandemic, archived on YouTube](#), actually revealed a secret plan involving U.S. spymasters to enrich drug companies and suppress free speech. He then rattled off clinical data from a [coronavirus](#) vaccine trial that [was not designed](#) to [measure mortality](#), falsely suggesting that vaccines killed more people than they saved. He made no mention of the [abundant science](#) that has found that the vaccine prevented serious illness and [saved lives](#).”

**The End of the Beginning. The Beginning of the End.** In a Substack article [(The Silencing of Kennedy’s Most Notable Critic (substack.com))], journalist Sam Hussein noted June 5, 2023 apropos of comments by Jared Beck, Florida lawyer and supporter of politician Bernie Sanders:

Beck: “As to RFK, Jr. – I am afraid he is playing the Bernie Sanders role this time around, to give a ‘voice’ to the disaffected, so that this ‘voice’ may be publicly gaslit and abused in the mainstream media, used as a tool to extract funds from the disaffected for the political party system, and then deployed to sheepdog the disaffected into supporting Joe Biden. That’s how U.S. ‘electoral’ politics rolls and has rolled since at least the time RFK Jr.’s uncle was publicly executed. I can’t imagine RFK Jr. is unaware of the role he is playing. But in order to play any substantial role in the family profession, it’s the only role he would ever be allowed to have. So perhaps understandable, but no less morally despicable.”

**Haven’t We Seen this Before?** Remember Ross Perot? Remember Ralph Nader?

Image: Ross Perot

**Ross Perot** dared to question the Establishment. Running for president in 1992 and 1996, he risked starting a new political party outside the existing one. Yes, ONE. (An African journalist once told me that the Great Malodorous American Behind had but two cheeks: Democrat and Republican.) Perot also presumed to interpret himself directly to the American people—not through the Lamestream Media—which then turned on him and repeatedly attacked him as a destabilizing person of questionable sanity.

**Ralph Nader** tried to work within the traditional Democratic (?) Party but was blocked. He ran for president as a Green Party candidate in 2000 and on a compendium of 3<sup>rd</sup> party and independent ballot lines in 2004.

The Democrats (Dumbocraps?) claimed Nader cost them the election in 2000 because he pulled ballots away from their candidate, **Al Gore**. They seemed never to realize it was their message the voter wasn't buying, not that Nader was a divisive force. As Nader's former campaign manager Theresa Amato noted "...it is a myth that anyone can run — successfully — for president outside of the two parties."

**So.** Will the Dumbocraps permit Robert F. Kennedy, Jr. to defeat Discombobulated Joe Biden as the party's candidate for president? Or will they do a Bernie Sanders on him, permit him to gather delegates within the party and then take them away and give them to the aged idiot now running an illegal and unconstitutional war against the Russian Federation? And rig another election. Or, perhaps not. What nationally appealing candidate can the Rapeuglycans, the other cheek, hope to field?

**But What Will Really End Kennedy's Run?** His subservience to the Apartheid Entity that styles itself "Israel". (The illegitimate, terrorist organization that many believe murdered his uncle, President John F. Kennedy and his father, Robert F. Kennedy, Sr., also once a candidate for president.)

According to the *Cleveland Jewish News* on June 1, 2023 (which drew on the *Jewish News Service* [Robert F. Kennedy Jr. affirms: 'I support Israel'](https://www.jewishnews.org/robert-f-kennedy-jr-affirms-i-support-israel/)JNS.org):

Independent podcast co-host Craig Pasta Jardula asked Kennedy: "A couple tweets were put up in support of Roger Waters and then taken [down](#). You want to give us a little explanation of why they were taken down and also your stance on Israel and

Palestine?”

Kennedy responded: “I made the tweet applauding Roger Waters’ courage in opposing the Covid mandates and the Ukraine war. I was unaware of his position on Israel. And when I learned that I immediately took it down.” [N.B. Waters is a fierce critic of the very undemocratic Israel.]

Then discussing his stance on Israel more broadly, Kennedy said: “I support Israel. My family has a long relationship with Israel and supporting its right to exist and its right to protect its security.”

Jardula followed up: “And the Palestinians?”

Kennedy replied: “And a humane outcome and a recognition ultimately of the aspirations of the Palestinian people is important for everybody.”

[Sure, permit the Palestinians to live in a small bit of their country that the Zionists stole from them. That’s really humane.]

## **Did the Izzies that Robert now supports murder his family?**

In a *Tehran Times* interview, **Laurent Guyenot** (French author and anthropologist) said:

**TT: Your conclusion is that Israel orchestrated the killing of Kennedy. What was Israel’s motive?**

**LG:** I am walking in the footsteps of the late Michael Collins Piper, who was the first to blame Israeli networks for the assassination of John Kennedy, in his book *Final Judgment: The Missing Link in the JFK Assassination Conspiracy*. To understand Israel’s motive, Piper relied on several studies that have revealed that Kennedy was determined to stop Israel from developing nuclear weapons. Global nuclear disarmament was Kennedy’s dearest project. After the Cuban Missile Crisis, he had initiated a promising dialogue with Soviet Premier Nikita Khrushchev on this issue. So, when the CIA informed him of the nuclear program carried out by the Israelis in their Dimona laboratory, he engaged in a standoff with David Ben-Gurion, who was both prime minister and minister of defense of Israel. Ben-Gurion was convinced that by trying to prevent Israel from acquiring the bomb, Kennedy was endangering the very survival of the Jewish state, to which he had devoted his entire life.

Dimona was certainly Israel’s major reason for eliminating Kennedy and replacing him with Johnson. But there were others. The Kennedy brothers were at the origin of a procedure to reduce the influence of the American Zionist Council by the Foreign Agents Registration Act of 1938. In October 1963, Attorney General Robert Kennedy gave the AZC a 72-hour notice to register as a “foreign agent.” After John Kennedy’s assassination, the AZC escaped this procedure, and its lobbying division, the American Israel Public Affairs Committee (or AIPAC), became the most powerful lobby in the United States, and an indispensable tool for the corruption and intimidation of American elected officials, and for the control of American foreign policy. A third likely motive for the Dallas coup was Kennedy’s support for the Palestinian cause and his sympathy for Egyptian President Abdel Nasser. As late as November 20, 1963, Kennedy’s representative at the United Nations demanded the implementation of Resolution 194 and the return of the 800,000 Palestinian refugees, causing strong protest in Israeli circles. After Kennedy’s death, American foreign policy in

West Asia was radically reversed again, without the American public realizing it. Johnson cut economic aid to Egypt and increased military aid to Israel to 92 million in 1966, more than the total of all previous years combined. [Israel is behind serial assassinations of Kennedy brothers: Laurent Guyenot - Tehran Times](#)

Former university professor **Kevin Barrett**, Ph.D. commented in a May 28, 2018 *PressTV* statement that:

“The assassinations of the Kennedy brothers were largely carried out on behalf of Israel,” Barrett told Press TV on Monday.

“John F. Kennedy was dedicated to shutting down Israel’s nuclear weapons program and was killed because the Israelis, specifically [former Israeli prime minister David] Ben-Gurion believed that this was an issue of survival for Israel” he added.

“Robert Kennedy’s convicted killer Sirhan Sirhan, the patsy who was chosen to be presented to the public as the supposed killer who was actually hypnotized and had no idea what he was doing there...was used for propaganda purposes by the Zionists who murdered both of the Kennedy brothers,” Barrett said.

Robert F. Kennedy Jr., the son of RFK, says he does not believe Sirhan had carried out the assassination and believes a second shooter did it. [Kennedy brothers likely killed by CIA on behalf of Israel: Scholar \(presstv.ir\)](#)

**Comment.** Robert F. Kennedy will be done down by:

1. The Lamestream Media;
2. The Establishment and The Established Party(ies?);
3. the Zionists;
4. His own self.

Two percent of the U.S. population are Jews. But they control (and brag about control) of the five or so corporations providing “news” in America. They also manage U.S. domestic and foreign policy and contribute vast sums of money to candidates who do their will. If Kennedy wants to play up to them for campaign contributions and voter support, he will have to follow their dictates. He will have to change his outlook and statements on Fauci, Gates, and Big Pharma (which has many Jews in powerful positions).

He has already begun to change. Note his remarks on Roger Waters and supporting Israel. When I called and emailed Kennedy’s campaign headquarters, I asked for clarification of his statements about Waters and Israel. None has been forthcoming.

Given the foregoing, it’s my belief that the Zionists will only give lip service to Kennedy’s campaign for change, tricking him into a belief that, if he accepts their views, they will back his policies, meanwhile, they will continue to support their age-old home amongst the Democrats. This will leave Kennedy out on a limb which will either break or be cut off by an

itinerant woodchopper.

So, I say to him, in advance, السلامة Ma'a salama; auf Wiedersehen; Au revoir; [Arrivederci](#).
