“Global Research is one of the finest and most easily accessed research tools on the web. A vast array of articles by the best known researchers are instantly available. [Michel Chossudovsky](#)’s meticulous research, perspicacity and courageous reporting offer the reader credible and in-depth analyses of the complex and controversial events of our time.”

-**Bonnie Faulkner**, Producer/Host, [Guns and Butter](#), The Pacifica Radio Network

Global Research doesn’t shy away from exposing corporate exploitation and media manipulation; we confront it head on through in-depth and independent coverage of global events.

To maintain our complete independence, we do not accept government or corporate funding. It may seem obvious, but how can any organization or individual have the freedom to speak honestly if they are funded by the very agencies actively engaged in the dissemination of disinformation? Our independence matters to us and we know it matters to you, our readers.

Therefore, we ask you to come together and show your support by [making a donation](#) **and/or** [starting a membership](#) (which includes a free book offer) and ensuring that the message reaches as many people as possible.

Our goal is to shed light on complex and controversial issues often neglected by the mainstream media. You, our readers, help this light shine brighter by sharing the information we publish, engaging in research and dialogue, and achieving real and sustainable empowerment.

Please help us in the fight against mainstream media lies, we cannot do it without your support.
