\*\*\*

*Dr. Francis Boyle, the Harvard educated law professor that drafted the 1989 Biological Weapons and Antiterrorism Act, which passed both houses of Congress unanimously, provided an affidavit stating that Covid 19 injections and mRNA nanoparticle injections violate the law he wrote. Dr. Boyle asserted that 'COVID 19 injections', 'COVID 19 nanoparticle injections', and 'mRNA nanoparticle injections' are biological weapons and weapons of mass destruction and violate Biological Weapons 18 USC § 175; Weapons and Firearms § 790.166 Fla. Stat. (2023).*

Dr. Boyle provided this affidavit in a Florida case filed by Dr. Joseph Sansone involving an *Emergency Petition for a Writ of Mandamus* that seeks to compel Governor DeSantis to prohibit the distribution of 'COVID 19 injections', 'COVID 19 nanoparticle injections', and 'mRNA nanoparticle injections', in the state of Florida. It also seeks to compel Attorney General Ashley Moody to confiscate the vials.

The original [Emergency Petition for a Writ of Mandamus](#) was filed on March 3rd, 2024, in the Florida Supreme Court. It was then [transferred to the Circuit Court](#) in Leon County on March 20th, 2024. On April 9th, 2024, the [Circuit Court dismissed the case](#). The case is now in the appellate court. The [Appellate Brief](#) was filed on Memorial Day, May 27th, 2024.

The pleadings assert that the distribution of 'COVID 19 injections', 'COVID 19 nanoparticle injections', and 'mRNA nanoparticle injections', violate - Biological Weapons 18 USC § 175;

Weapons and Firearms § 790.166 Fla. Stat. (2023); Federal Crime of Treason 18 USC § 2381; Treason § 876.32 Fla. Stat. (2023); Domestic Terrorism, 18 USC § 2331; Terrorism § 775.30 Fla. Stat. (2023); Murder § 782.04 (1)(a) Fla. Stat. (2023); and Genocide 18 USC §1091; Florida Drugs and Cosmetic Act § 499.005 (2) Fla. Stat. (2023); Fraud § 817.034 Fla Stat. (2023); Accessory After the Fact § 777.03 Fla. Stat. (2023); and Florida Medical Consent Law § 766.103 Fla Stat. (2023).

Dr. Boyle is considered one of the world's leading legal experts on biological weapons. Dr. Boyle's affidavit adds a tremendous amount of credibility to the case, which already has a tremendous body of evidence provided in the writ of mandamus. Affidavits stating that the injections are biological and technological weapons, were also provided by med legal advisor and biotech analyst [Karen Kingston](#), who researched the evidence that makes of the *Facts of the Case* section of the Mandamus, and from [Ana Mihalcea, M.D., PhD](#). Dr. Mihalcea's research is included in the Mandamus. Dr. Mihalcea is one of the world's leading researchers into the effects of self replicating nanotechnology in the blood of injected as well as the effects in the blood of the uninjected as a result of shedding.

Dr. Boyle's affidavit is below:

Affidavit

Pursuant to 28 USC 1746, I, Francis A. Boyle declare under penalty of perjury that the statements contained herein are true and correct to the best of my knowledge.

I am Francis A. Boyle, a professor of international law at the University of Illinois College of Law. I received an AB (1971) in Political Science from the University of Chicago, then a JD degree magna cum laude from Harvard Law School, and AM and PhD degrees in Political Science from Harvard University.

I have advised numerous international bodies in the areas of human rights, war crimes and genocide, nuclear policy, and bio-warfare. In 1985 I publicly called for and then drafted the U.S. domestic implementing legislation for the Biological Weapons Convention, known as the Biological Weapons Anti-Terrorism Act of 1989, that was approved unanimously by both Houses of the U.S. Congress and signed into law by President George H.W. Bush with the approval of the United States Department of Justice. See my book *Biowarfare and Terrorism* (Clarity Press: 2005).

It is my expert opinion that, 'COVID-19 nanoparticle injections' or 'mRNA nanoparticle injections' or 'COVID-19 injections meet the criteria of biological weapons and weapons of mass destruction according to

---

Biological Weapons 18 USC § 175; Weapons and Firearms § 790.166 Fla. Stat. (2023).

I hereby certify that the stylistically edited transcript of an interview I had with Stew Peters is a fair and accurate statement of my professional opinion on the matters set forth therein. See the attached Exhibit.

Respectfully submitted by  
Francis A. Boyle  
Professor of Law

## The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

*“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”*

### Reviews

*This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon*

*In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. -Dr. Emanuel Garcia*

*In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists.*

—Peter Koenig

*Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. –David Skripac*

*A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. –Edward Curtin*

ISBN: 978-0-9879389-3-0, Year: 2022, PDF Ebook, Pages: 164, 15 Chapters
