(IsraelINN.com) Army Radio quoting unconfirmed reliable sources reported a short time ago that Scotland Yard had intelligence warnings of the attacks a short time before they occurred.

The Israeli Embassy in London was notified in advance, resulting in Finance Minister Binyamin Netanyahu remaining in his hotel room rather than make his way to the hotel adjacent to the site of the first explosion, a Liverpool Street train station, where he was to address an economic summit.

At present, train and bus service in London have been suspended following the series of attacks. No terrorist organization has claimed responsibility at this time.

Israeli officials stress the advanced Scotland Yard warning does not in any way indicate Israel was the target in the series of apparent terror attacks.
