Angus Reid Monitor 14 January 2007

Region: [Middle East & North Africa](#)

In-depth Report: [IRAN: THE NEXT WAR?,
PALESTINE](#)

Editorial Note

We bring to the attention the results of a poll conducted in Israel, quoted by Angus Reid Global Monitor. As in the West, Israeli public opinion has been lured into supporting a military agenda. It has been influenced by extensive media propaganda regarding Iran's non-existent nuclear weapons program, where Iran is presented as a threat to global security.

Global Research, 2 december 2006

Excerpt

According to a poll by Teleseker published in Maariv, "49 per cent of respondents would support an Israeli attack on Iranian nuclear facilities if all international diplomatic efforts fail, while 46 per cent disagree."

Polling Data

If it turns out that all the international diplomatic efforts fail, should Israel attack the Iranian nuclear facilities even alone and without international support?

Yes

49%

No

46%

Do you count on the United States and on the Europeans to succeed in stopping the nuclear program of Iran by peaceful means and via United Nations (UN) Security Council resolutions?

Yes

24%

No

75%
