Governments in the US and West are mortal enemies of ordinary people.

Virtually everything playing out today reflects new world order dystopian harshness that's causing enormous harm to countless millions of people for the benefit of privileged ones.

Last month by executive order, Biden mandated face masks in federal buildings and on its land.

His order falsely claimed that he's “relying on the best available data and science-based public health measures (sic).”

Effective February 2, the CDC mandated face masks “on public transportation and at transportation hubs.”

In the US, it's now required “by all travelers into, within, or out of the United States, e.g., on airplanes, ships, ferries, trains, subways, buses, taxis, and ride-shares.”

“The mask requirement also applies to travelers in US transportation hubs such as airports and seaports; train, bus, and subway stations; and any other areas that provide transportation.”

The order applies to everyone “awaiting, boarding, disembarking, or traveling on airplanes, ships, ferries, trains, subways, buses, taxis, and ride-shares as they are traveling into, within, or out of the United States and US territories.”

According to the DHS, Transportation Security Admin. personnel are authorized to enforce the mandate.

Along with other federal authorities, state and local ones are required to do the same thing nationwide.

Failure to comply risks federal civil charges, prosecution, imprisonment and fines.

Ignored is that face masks don't protect and risk harm to health from extended use.

Porous to permit breathing, minuscule viral spores penetrate them easily, concentrate, and

are inhaled.

When masked, normal breathing is impaired and exhaled air can go into eyes and irritate them.

Earlier I quoted noted neurosurgeon Russell Blaylock saying the following about face masks:

“As for the scientific support for the use of face masks, a recent careful examination of the literature, in which 17 of the best studies were analyzed, concluded that:”

“None of the studies established a conclusive relationship between mask/respirator use and protection against influenza infection.”

“(N)o studies have been done to demonstrate that either a cloth mask or the N95 mask has any effect on transmission of the COVID-19 virus.”

“Any recommendations, therefore, have to be based on studies of influenza virus transmission.”

“The fact is, there is no conclusive evidence of their efficiency in controlling flu virus transmission.”

Other experts stressed that face masks don't work as claimed.

They're ineffective and potentially harmful to health.

Dr. Jim Meehan explained that “Viral particles move through face masks with relative ease.”

“Your mask is a petri dish experiment” by permitting viral spores to penetrate, concentrate in nasal passages, “enter the olfactory nerves and travel to the brain.”

What's going on and likely to worsen ahead with follow-up mandates is a colossal, state-sponsored scam.

Masks should be banned in public, not mandated.

By letter to Wisconsin lawmakers, James Fetzer said “(m)ask mandates (are) killing us slowly.”

Virtually all positive PCR test results are false.

Lockdowns and quarantines caused infinitely more harm to countless millions of people than any combination of the most serious diseases.

Social distancing disrupted normal interactions of everyday life.

The so-called SARS-CoV-2 virus allegedly responsible for causing covid may not exist.

No one found it suggesting its nonexistence.

How can a nonexistent virus cause illness?

Virtually everything reported about covid is fake news.

Unexplained is that so-called covid is renamed seasonal flu — with none of what's going on today.

We're being systematically lied to and otherwise deceived by politicians, Pharma, and their media press agents.

Their claims have nothing to do with science, nothing remotely related to truth-telling.

The scam includes mass-vaxxing with unapproved, hazardous covid vaccines that risk serious irreversible harm to health, shortened lifespans, contraction of major diseases, possible death for the nation's elderly, and no protection.

All of the above and likely much more to come risks unprecedented harm to countless millions of people.

Mass resistance is the only alternative, pushing back against what no just societies would tolerate.

Otherwise based on where things heading if not challenged, free and open societies in the US and West will no longer exist — permanent dystopian harshness replacing them.
