

Media Blackout on Eye-witness Denials of Alleged Douma Gas Attacks

MSM has decided not to report the eye witness statements made to respected journalists Robert Fisk (UK) and Pearson Sharp (USA).

In-depth Report: [SYRIA](#)

Instead of considering [Fisk's account](#), said to have been 'seized on by opponents of western military action in Syria', [the Times' focus](#) was on damaging Fisk's reputation; though winner of several international wards and seven times [Press Awards Foreign Reporter of the Year](#).

SYRIA

Critics leap on reporter Robert Fisk's failure to find signs of gas attack

Robert Fisk claimed that there was no chemical attack based on the testimony of a doctor who was not at the scene
TOM PILSTON/REX FEATURES

[Pearson Sharp](#), an experienced American journalist with OAN, gained access to Douma, where the US, France and UK alleged that Bashar al-Assad used chemical weapons against civilians.

Like Fisk, he found no evidence of such attacks. See the video [here](#).

MSM has now thankfully seized on the ill-treatment of the Windrush generation and the Commonwealth summit to detract attention from this debunked 'atrocities'.
