to dry.

The Obama economic “dream team” will be discussed and the likely way it will deal with the nation’s greatest ever economic crisis.

James Petras is Binghamton University, New York Professor Emeritus of Sociology. His credentials and achievements are long and impressive as a noted academic figure on the left, a well-respected Latin American expert, and longtime chronicler of the region’s popular struggles.

The new Obama administration, recent Venezuelan regional elections, and more will be discussed on the program
