NATO terrorists continued their slaughter of Syrian civilians. Courtesy of mostly the US taxpayer, another residential neighborhood in Aleppo was bombed. Five persons were murdered. Fifteen persons were injured. Homes and other buildings were damaged.

The wounded were rushed to al Jame'a and al Razi hospitals, real Syrian hospitals, not the imaginary ones for which al Qaeda NGO's and UN rabid hyena tripartite aggressors and their House Servant underlings wail imaginary tears.

What would happen if London, Paris, or New York were hit by Grad missiles fired by al-Qaeda? This is what happened to us today in [#Aleppo](#)..! So far eight of our civilians were slaughtered in cold blood! Enough..!

Today's carnage was inflicted on the al Sukari neighborhood of Aleppo city. The coordinated rocket fire came from three areas of western and northwestern regions of Aleppo countryside. Dozens of civilians have been murdered and injured in the past week's frenzied blood-thirst by NATO terrorists, while NATO stenographer-journalists engage in fake oblivion to the horrors, atrocities which would receive 24/7 media coverage, were westerners forced to endure them.
