The following videos were sent to us from a Correspondent in Eastern Ukraine:

Soldiers and Paramilitary are shooting indiscriminately at civilians in the Eastern Ukrainian city of Mariapul on the explicit orders of the Kiev Neo-Nazi regime.

In the words of Julia Timoshenko, with reference to the Odessa Trade Unions building massacre:

“We need to be tougher, Excuse me, I would just shoot them all,

Today’s reaction is absolutely legitimate, Our people died. That is why these alien creatures [Russian speaking Ukrainians] who have come to Ukraine deserve only one thing, they should be killed”

This position not only describes official government policy, *the CIA is advising Kiev on the conduct of these “counter-terrorist” operations directed against innocent civilians.*

Meanwhile the Western media remains silent, tacitly supportive and complicit in the conduct of crimes against humanity in the name of “democracy”.
