Israeli **Prime Minister Benjamin Netanyahu** announced the invasion of Gaza on October 29, 2023 by citing a commandment from the Old Testament calling on Israelites to

“go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infant and suckling, ox and sheep, camel and donkey.”

“You must remember what Amalek has done to you, says our Holy Bible,” Netanyahu said.

Netanyahu’s comments are “an explicit expression of genocidal intent,” Max Blumenthal said, “painting the Palestinians of Gaza as the biblical Amalekites whose total eradication was commanded by God as punishment for their sins.”

Netanyahu and the Israeli army are getting all hyped up to go and massacre men, women and children and “erase the memory of them.”

“These animals can no longer live.”
