Haiti: The First Tragedy of the Decade

Venezuela sends food, the US sends troops

Venezuela President Hugo Chávez said the crisis in Haiti is the first tragedy of the decade, a disaster that will be a "horrible nightmare" for the people of the Caribbean island. He said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people. He said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people.

Chavez said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people. He said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people.

Chavez said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people. He said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people.

Chavez said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people. He said the crisis is the result of a "systemic failure" of the international community, which has failed to provide the necessary aid and support to the Haitian people.
