

“Fake Covid-19 Emergency”: Nuremberg Codex - Why Is It Ignored Today, and Nothing Happens

European Union countries are in a state of emergency “due to Covid” – [see this](#) Statement by unelected European Commission President, Ursula von der Leyen.

Accent is on “unelected”. Because the elected European Parliament, has hardly any teeth in the decision-making process of the European Union. Why is this not more often debated, or brought to the open? Or is it, but it doesn’t get media coverage – thus, it becomes simply a rule by habit and attrition. People are getting used to the growing dictatorship of the EU monster, controlling and coercing close to 500 million people.

Madame Von der Leyen is also a *Member of the Board of Trustees of the World Economic Forum (WEF)*; [see this](#).

Why is this important?

The Nuremberg Codex, like any Human Rights Law, any law that infringes on the Great Reset and the UN Agenda 2030, are disabled in times of National Emergencies.

For the significance of the Nuremberg Code, [see this](#).

That is why every government is getting away with murder, literally with murder.

Injecting deadly poisons into human bodies, under the pretext of “covid vaccinations” are medical trials. They are to determine, what toxic substances have the greatest effects on the human body and under what circumstances. They are medical trials without human consent.

Other violations of the Nuremberg Codex are the Cult-inspired showering of lies, fear and other psychological instruments to keep the people “down”, in check, and easily manipulable. So, they will be afraid not to do the bidding of their governments, or if necessary – increasingly the case – of the military-supported dictatorial rules, often sanitary rules, falsely justified for health protection.

When in fact just the contrary is true: these rules negatively affect people’s health and wellbeing – wearing of masks, social distancing, lockdowns, working from home as a means of separating people from each other – breaking up society. These are measures provenly affecting human health in negative ways.

All these infractions are punishable under the Nuremberg Codex.

It is cleverly done with the state of emergency; the Global North has elegantly sanctioned the most heinous crimes on humanity – organized eugenics, and the consequential submission of the survivors – that history has ever known. The Third Reich under Hitler, carried out massive eugenics’ programs on people of all races with physical and mental illnesses. But Hitler’s atrocities, while horrendous, are small fry compared to what the eugenists are doing today to the world population.

And we are only at the beginning.

The Great Reset, the UN Agenda 2030 and the 2010 Rockefeller Report are talking about a ten-year period, the decade of 2020-2030. Or, as WHO declared already in 2014, “The twenties will be the decade of vaccination.”

The atrocities of the Hitler Regime were judged by the Nuremberg trials, carried out from Nov 20, 1945 – Oct 1, 1946.

On the basis of these Nuremberg trials, the Nuremberg Codex came into existence.

It forbids any medical and psychological trials on humans without their previous consent. “Consent” means that the person(s), who is(are) being administered such medical trials must understand and be conscious about what these trials are and what they may cause.

This has not been the case with the Covid measures, imposed on humanity since the onset of “Covid-19” at the beginning of 2020, but especially since 11 March 2020, when the Director General of WHO, Dr. Tedros, declared Covid-19 a pandemic.

“The World Health Organization declared the outbreak a Public Health Emergency of International Concern on 30 January 2020 [83 PCR positive cases outside China], and a pandemic on 11 March 2020 [44,279 cases outside China for a population of 6.4 billion].”

[See this for details](#) on the WHO Press Conference of 11 March 2020, when the apparent worldwide covid dead count was insignificant, as compared to other mass diseases. This is reflected by this statement by DG Tedros, “There are now more than 118,000 cases [including China] in 114 countries, and 4,291 people have lost their lives.”

With this, under the guidance of the World Economic Forum (WEF), WHO gave the green light for the unelected European Commission (EC) to declare a Health Emergency, which was to be followed by all EU members. The Global North which also includes the United States, Canada, Australia, Japan, New Zealand and South Korea all followed the same “rule”. They declared a Health state of emergency, thereby wiping out the “Rule of Law”, as we know it.

The new “rule” (state of emergency) was quietly passed, either through countries’ parliaments or by decree. This event was not published, nor covered by the media.

Therefore, most of the public does not know, that they are living in a state of emergency which, by its nature, disables all Rule of Law – and in most cases suspends the country's Constitution.

In Switzerland the state of emergency has been installed until mid-2031, well covering the UN Agenda 2030, easily extendable, if necessary.

That is why any legal basis to apply the Nuremberg Codex – as well as any other law that counters the nefarious objectives of the dark Cult-Elite – has been wiped out in anticipation, by declaring Covid as a health emergency. Anti-globalization moves, as well as actions to preserve national sovereignty and local autonomies, can be shamelessly oppressed by military power.

Therefore, and in expectation of riots further down the road, starting possibly this fall with artificially created food and energy shortages – grave infractions on the Nuremberg Codex – the military of many EU countries, especially Germany and France, are preparing for urban warfare, to stem against potential riots. [See this](#).

We may talk about legal actions against the eugenists, the deadly perpetrators on human society – it won't happen. No judge is going to touch a Nuremberg Codex case, or any case that may contradict the Cult's agenda. The judges' and lawyers' lives might be in danger.

What to do about it?

First, inform as many people as possible of their condition – that they live in a state of emergency, when legality as we know it, has little or no meaning. In extreme cases, the police can break into your home, without explanation, and search, harass or even arrest you, whatever is convenient.

This is not said to create fear. To the contrary, informed citizens know how to prepare for “worst case scenarios”.

Second, we have to organize; think-alike people have to find each other – organize in groups or communities of togetherness – as in resistance, non-violent resistance.

Third, we must never lose hope, never give up, and never hate “them”, as hate fosters negative vibes, keeps us “down” on their level and they feed on our negative energy.

Sounds esoteric? Maybe. But you are welcome to read up on a quantum science, hidden in the western world, but omnipresent in the east, in eastern philosophies, i.e., Hinduism and Buddhism.

Be always conscious that not only are we many and they are few, but we strive for the sun, for the light – and light will overcome darkness.

"The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity"

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project "destroys people's lives". He provides a comprehensive analysis of everything you need to know about the "pandemic" — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

"My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the "deadly" COVID-19 "vaccine". This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument."
