[New Year Donation Drive: Global Research Is Committed to the "Unspoken Truth"](#)

*It is already abundantly clear that Israel is adamant to ignore the demands of the ICJ and carry through with its genocide until its horrific end. Instead of reversing course, **key forces in Israel celebrate their drive for genocide against the Palestinians and their objective of an Israeli colonization of Gaza.** See [this](#).*

Consequently, Israel will not put to justice anyone involved in its genocide.

We must remember, that the genocide is carried out by the criminal orders and/or criminal incitement by top Israeli leaders like president Herzog, the prime minister Netanyahu, the defense minister Galant, the security minister Ben-Gvir, foreign minister Katz, and finance minister Smotrich. Benny Gantz is probably also guilty as part of this gang.

Guilty is the Israeli military top and lots and lots of people all the way down to soldiers committing the acts. We also have Israeli media, religious persons, analysts, legal experts, and diplomats involved.

Like Germany 1945, we confront a state and society infested with genocidal ideology, its meticulous planning, and its bloody execution. And the trials afterwards proved no remorse among the perpetrators.

Haaretz today 29 January 2024, lists nearly all [the above-named](#) persons as involved in genocide or incitement to genocide. Haaretz further writes that the ICJ ruling should be adhered to by Israel as a "yellow card" for Israel, including its leaders. But Haaretz is deluded in believing any Israeli institution will take action against the genocide continuing, or any action against any individuals leading or inciting it.

Somebody else must bring justice.

Like Germany 1945, there is no chance that the country itself will stop and carry out justice once its bloody genocide fails in an abyss of self-destruction. Like [the trial](#) in Nüremberg in Germany 1945, the outside World will have to organize and carry through the trial for the genocide carried out by Israel in coordination with the USA. An international trial, in which US President Biden, Antony Blinken, Jake Sullivan, and Lloyd Austin will stand accused as well. And like the World saw at Nüremberg in 1945, there is no chance that the defendants will show any remorse, not even in the minute when their sentence was carried out.
