

NYT Insinuates Trump Wants Hillary Assassinated

Times anti-Trump propaganda reached a new low with an August 9 article, editorial and commentary

Its propaganda turned truth on its head, [suggesting Trump](#) wants “gun rights supporters...tak(ing) matters into their own hands” by assassinating Clinton if she prevails in November.

What prompted such outrageous rubbish? At an August 9 North Carolina rally, he said “Hillary wants to abolish the Second Amendment...If she gets to pick her judges, nothing you can do folks.”

Later on Fox News, he called gun owner rights “a strong powerful movement, the Second Amendment.”

Hillary wants to take your guns away. She wants to leave you unprotected in your home. This is a tremendous political movement. The NRA, as you know, endorsed me.

They’re terrific people...They agree 100% with what I said. And there can be no other interpretation. Even reporters have told me. I mean, give me a break.

In no way did his remarks suggest wanting Hillary assassinated – nothing indicating he wants her harmed in any way. Led by deplorable NYT reporting, the insinuation blasted across the media suggested otherwise.

[Times editors](#) disgraced themselves headlining “Further Into the Muck With Mr. Trump,” willfully lying, saying “Americans find themselves asking whether Donald Trump has called for the assassination of Hillary Clinton.”

Only easily manipulated ones, carpet-bombed by Times and similar rot insinuating it, blasting him round-the-clock on cable television, waging war by other means, willfully mischaracterizing everything he says, expressing one-sided support for Hillary.

Times editors ended their anti-Trump rant, calling on “Republicans...to repudiate Mr. Trump once and for all.”

Journalism Professor Robert Jensen once called Times columnist Tom Friedman “scary (featuring) underinflated insights, twisted metaphors, second-rate thinking, third-rate writing (and) hack journalis(m).”

On August 9, he [disgracefully bashed Trump](#), calling him “illegitimate...a threat to the

nation...the equivalent of a Nazi war criminal,” saying his “ambiguous wink wink to Second Amendment people” is the stuff that got former “Israeli Prime Minister Yitzhak Rabin...assassinated.”

Jensen should have added he’s paid big bucks to lie, supporting war goddess Hillary while calling Trump “a disgusting human being...The likes of (him) should never come this way again.”

The disturbing irony of accusing Trump of wanting Hillary assassinated is unsupported by anything violent in his background. Whereas her orchestrated Libya and Syria wars, along with support for all other US ones since the 1990s slaughtered millions of defenseless human beings with the same right to life as herself.

Of all presidential aspirants in US history, she’s by far the most despicable, ruthless and dangerous, crucial to keep from succeeding Obama – politically, not violently.

I’ll repeat what I’ve said before about The Times. All the news it calls fit to print isn’t fit to read!!
