News of Bin Laden's Death and Funeral 10 days ago

Islamabad

A prominent official in the Afghan Taliban movement announced yesterday the death of Osama bin Laden, the chief of al-Qa'da organization, stating that bin Laden suffered serious complications in the lungs and died a natural and quiet death. The official, who asked to remain anonymous, stated to The Observer of Pakistan that he had himself attended the funeral of bin Laden and saw his face prior to burial in Tora Bora 10 days ago. He mentioned that 30 of al-Qa'da fighters attended the burial as well as members of his family and some friends from the Taliban. In the farewell ceremony to his final rest guns were fired in the air.

The official stated that it is difficult to pinpoint the burial location of bin Laden because

according to the Wahhabi tradition no mark is left by the grave. He stressed that it is unlikely that the American forces would ever uncover any traces of bin Laden.
