A 41-year old mother of seven young children has been in effect condemned to death by Emory Healthcare Inc. of Atlanta, an affiliate of Emory University, for refusing to take the dangerous Covid-19 shot. The mother was approved for a kidney transplant but was removed from the list when she refused the death jab. The woman has had Covid and is protected by natural immunity. Moreover, there are many medical scientists who believe the adverse effect of the Covid mRNA "vaccine" would attack her kidney and kill her.

Only about one-third of America's transplant centers are still so medically ignorant of the mRNA "vaccine" danger, or corrupted by Big Pharma payments, as to continue to require patients to submit to Covid "vaccination" in order to receive health care. Emory Healthcare is in this minority that requires patients to take enormous risks in order to receive treatment.

It seems clear enough that Emory Healthcare is committing willful murder. But prosecutors are too busy putting Trump supporters in prison for attending a rally to pay attention to real crimes. Little doubt Emory graduates and the Robert W. Woodruff Foundation will continue to pour money into a heartless facility that has no qualms about murdering a mother of 7 kids.

This is America today, a place of Satanic evil.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
