*The USA has deployed at least 30 self-propelled howitzers Paladin near the Belarusian-Polish border, the news agency Avia.pro reports.*

According to the source, after dozens of tanks, armored vehicles and several thousands of NATO military personnel were relocated to the Belarusian border; it was revealed that in addition to that the USA moved at least 30 155mm self-propelled howitzers M109A7 Paladin to the Belarusian-Polish border.

The howitzers were delivered from Germany by several trains. Taking into account their firing range, they can fire into Belarus’ territory.

The USA has yet to comment on the deployment of its weapon systems and military hardware near the Belarusian border.
