*Below is an excerpt from an article on [Le Parisien](#) by [Nicolas Berrod](#), [Véronique Hunsinger](#) and [Elsa Mari](#):*

“I can continue to do my job.” This is how [Didier Raoult reacted](#) to [Le Parisien](#) in December 2021, after the simple reprimand [inflicted by the disciplinary chamber of the Order of Physicians](#). The controversial microbiologist will not be able to say the same this time. **He is in fact prohibited from practicing medicine for two years from February 1, according to the decision taken on appeal by the national disciplinary chamber, which we reveal this Thursday.**

The reprimand imposed at first instance was a sanction “too lenient in view of the failings found”, considered Dr Gilles Munier, representative of the Order of Physicians, during the appeal hearing held last June in Paris. Didier Raoult was himself physically present that day, with his lawyer Me Fabrice Di Vizio.

But what exactly is the former head of the IHU of Marseille accused of? Of having violated numerous articles of the public health code. And first of all, of having promoted hydroxychloroquine as a treatment against Covid... even though the scientific community did not recommend it, due to a lack of solid data.

## “Wild” clinical trial

Thus, Didier Raoult “did not base his public positions on confirmed data, did not exercise caution and promoted an insufficiently tested treatment”, we read in the decision that we obtained.

On the other hand, he did not “put any unjustified risk” on the patients to whom he prescribed hydroxychloroquine because he “knowingly excluded from treatment those who presented the highest risk factors”, believes the president of the national disciplinary chamber.

## My Take...

The persecutions from corrupt medical boards continue.

There is really only one logical reason why these medical boards are going insane on doctors who dissent:

they intend to force doctors to take new vaccines in the near future and need to ensure 100% compliance, as the doctors who stayed silent, will be expected to push new vaccines on all their patients.

## **The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity**

**by Michel Chossudovsky**

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

*“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”*

## Reviews

*This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon*

*In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky's book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia*

*In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden "plandemic"; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test - which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renown scientists. —Peter Koenig*

*Professor Chossudovsky exposes the truth that "there is no causal relationship between the virus and economic variables." In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac*

*A reading of Chossudovsky's book provides a comprehensive lesson in how there is a global coup d'état under way called "The Great Reset" that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it's too late. You will not find so much valuable information and analysis in one place. —Edward Curtin*
