

Dazzling Political Spectacle as Cover for Permanent War and Genocide

Theme: [US NATO War Agenda](#)

Fabricated mass delusions are fueling the current state of permanent, Western-perpetrated global warfare.

In fact, Western intelligence agencies are tasked with making sure we do not know the truth. Former CIA Director William J. Casey even admitted, "We'll know our disinformation program is complete when everything the American public believes is false." (1)

How can there be freedom and democracy in the West when people have no clue what is really happening and who are the real perpetrators? It is fake freedom and fake democracy.

Our hearts and souls are being impoverished through fabricated ignorance as Western governments and their agencies impoverish, mass-slaughter, and kill globally, thanks to our tax dollars.

The reality is that Western governments are complicit in committing genocide in Palestine because it could not happen without our billions and our bombs and our political/economic support. The ICJ has made it clear that Israel is an apartheid state, the walls are illegal, the segregation is illegal, the occupations are illegal.

Furthermore, the court has reaffirmed that, "freedom from foreign military occupation, racial segregation and apartheid is absolutely non-negotiable." (2)

Last week alone, the U.S sent billions of dollars worth of weaponry to Israel to fortify the ongoing genocide to which the US and its allies are accomplices. (3)

Apartheid and genocide define not only Israel, but also the West, and yet political rhetoric from the West would have us believe otherwise.

The Western-perpetrated mass-slaughter, impoverishment, and degradation of humanity in its long war against peace continues globally. In Ukraine, Western governments are supporting not only [nazism](#), but also what is basically a NATO invasion of Russia at this very moment. (4)

Meanwhile, Empire's "New Middle East" (5) continues to be a disaster for real freedom and democracy in Syria and beyond.

Chemical weapons accusations against Syria were as fake as the WMD accusations against Iraq, and as President Assad and the Syrian government continue to represent civilisation and international law and justice in Syria, Washington's illegal occupation, its [theft of Syrian](#)

[resources](#), its illegal support for internationally proscribed terrorist groups continues to impose the opposite. In fact, Washington is now using the Western-orchestrated resurgence of ISIS (which Washington supports covertly and overtly) as a fake pretext to continue its illegal, impoverishing, terrorist-supporting occupation. (6)

Who benefits from permanent warfare based on mass-deception? Certain segments of Western economies benefit but Western populations overall are being [“thirdworldized”](#), a word coined by Prof. Chossudovsky to describe the dictatorship of predatory “neoliberal” economic models.

All of this recalls the allegory of [Plato’s cave](#) where shackled prisoners believe the shadows on the wall as representative of reality and reject the truth as told by the released prisoner who has seen the outside world as it is.

If fabricated ignorance prevails, the NWO promises to be far more totalitarian, far less interested in even the [pretense of democracy](#) and freedom – at home or abroad.

COVID lockdowns and mandated experimental gene therapy drugs, neither safe nor effective, were a preview of what is to come.

Will we embrace the truth or continue to be dazzled and enslaved by political spectacles and empty rhetoric about freedom and democracy?
