

Selected Articles: “Profit over People”

By [Global Research News](#)

Global Research, March 24, 2019

Online independent analysis of US-led wars, rampant corruption, corporate greed, civil rights and fraudulent monetary transactions is invariably relegated to the bottom rung of search engine results.

As a result we presently do not cover our monthly running costs which could eventually jeopardize our activities.

[Water Is Life - They Are Stealing Our Livelihood and We Aren't Even Noticing](#)

By [Peter Koenig](#), March 24, 2019

Today, **Jair Bolsonaro**, is Brazil's President, pushed in by Washington, a fascist with no respect for human life, as long as it is not his own, or that of his cronies, and even less respect for the environment, the beautiful planet earth which gives us all life.

[Scientists from Around the World Call for Immediate Halt to 'Genetically Altered Children'](#)

By [Derrick Broze](#), March 24, 2019

Scientists and ethicists from around the world are warning of the consequences of failing to implement a temporary global halt on gene editing of human eggs, embryos, and sperm.

[China-Africa Cooperation under the Belt and Road Initiative \(BRI\): Africa Sees the Way Forward](#)

By [Wang Linggui](#), March 23, 2019

As the first global initiative proposed by China, the Belt and Road Initiative (BRI) is a striking example of the country's new diplomatic concepts of promoting global development and governance, and maps out new routes and focus of future cooperation between China and Africa.

[Interest Rates and the US Economy. The Capitulation of Federal Reserve Chairman Jerome Powell](#)

By [Dr. Jack Rasmus](#), March 23, 2019

The Fed's benchmark rate, called the Fed Funds rate, is thus frozen at 2.375% for the foreseeable future—i.e. leaving the central bank virtually no room to lower rates in the event of the next recession, which is now just around the corner.

[Is Beijing Losing Its Footing in the South China Sea?](#)

By [Haley Zaremba](#), March 23, 2019

The United States military launched nuclear-capable B-52H Stratofortress bombers over the heavily disputed South China Sea last week, where they “conducted routine training”. In these contested waters, the Chinese government has claimed ownership over reserves containing trillions of dollars worth of oil and gas.

[What Can We Do? They Are Insane!](#)

By [Philip Girdi](#), March 23, 2019

This [report from the BBC](#) regarding American **Secretary of State Mike Pompeo's** view of the possible divine origin of the 2016 election result as a necessary intervention to “save the Jews” is possibly the most frightening bit of commentary to come out of the Trump national security team.

[“Frankenfoods”: US FDA Lifts Ban on GMO “Frankensalmon”](#)

By [F. William Engdahl](#), March 23, 2019

Frankenfoods is a term developed by consumer groups questioning the health and safety of genetically modified plants or GMO. The US Food and Drug Administration has just lifted an earlier ban on commercialization of the first genetically modified food, Salmon.
