"New York. Protest for medical freedom, outside Pfizer headquarters, with protesters carrying signs for the Vax injured.

The dam is breaking, they have forgotten that they have to answer to the people. And in the end, the people will not be silenced!"

Justice Department Announces Largest Health Care Fraud Settlement in Its History

Pfizer to Pay \$2.3 Billion for Fraudulent Marketing

How on earth can we trust a Big Pharma vaccine conglomerate which pleaded guilty to criminal charges by the US Department of Justice including “fraudulent marketing” and “felony violation of the Food, Drug and Cosmetic Act”?

People were never informed. Both the media and the governments “turned a blind eye”.

Today, we are not dealing with an issue of “fraudulent marketing”: The roll out of Pfizer’s mRNA vaccine in December 2020 is beyond criminality, it’s genocide.

\$2.3 Billion Medical Fraud settlement with Pfizer.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
