Dear Supporters,

The Remember Building 7 campaign is pleased to announce that we have contributed the remaining \$50,000 of the funds raised during the 10th anniversary toward a larger joint effort with Architects & Engineers for 9/11 Truth called "[ReThink911](#)."

ReThink911 will include outdoor and transit advertising in 11 major cities around the world this September 2013, coupled with grassroots actions in dozens of cities worldwide.

In furtherance of Remember Building 7's mission, ReThink911 will be spearheaded by a [massive 50-foot billboard](#) in the heart of Times Square asking passers by if they know a third tower fell on 9/11. Towering over the surrounding blocks, this billboard will attract the attention of nearly one million pedestrians each day and set the stage for New York and the whole world to learn a large 47-story skyscraper also fell on 9/11.

ReThink911 has put down half the money needed to purchase this billboard for the full month of September. Now we are counting on you to bring us the rest of the way. [Donate now](#), and we will send you a free ReThink911 bumper sticker with your donation of at least \$50.*

Or, if you wish to donate to one of the other cities where ReThink911 is placing ads, [click here](#) to find your preferred city and donate generously. As with the billboard in Times Square, ReThink911 is covering half of the cost of each buy with funds raised prior to the launch of the campaign (including those contributed by Remember Building 7), and we are counting on you to bring us the rest of the way. Together we can make ReThink911 go viral this September.

Following the fundraising drive, which ends on August 1, ReThink911 will start gearing up for a month of grassroots actions to take place in dozens of cities across the world during the month of September.

We thank you for your generous support, and we cannot wait to move forward in our collective goal of creating the ultimate breakthrough.
