RFK Jr says,

“There were 138 companies that were involved in manufacturing and distributing the vaxxine. They’re all military contractors. The Pentagon and the National Security Agency ran the entire pandemic response.

“Pfizer and Moderna don’t really own those vaxxines. They slap their labels on ’em but it was a Pentagon project.”

This confirms the work of **Sasha Latypova** and **Katherine Watt**, who showed how the Pentagon’s Operation Warp Speed was able to completely circumvent Federal Health Regulations by using what’s called in bureaucratic-speak, an “Other Transaction Authority”, which they used to contract with the bioweapons manufacturers to literally produce the bioweapon.

This was discovered in Pfizer’s motion to dismiss Brook Jackson’s case, when they attached another [contract called an Other Transaction Authority](#) - OTA contract - saying in effect, they had no obligation to conduct valid clinical trials because the only goods and services they were providing to the US government, according to this contract are a “large scale manufacturing demonstration for a prototype”.

Under the terms of the OTA, Pfizer may have had no obligation to conduct a valid clinical trial or to be in compliance with any of the regulations that govern clinical trials. In other words, [OTA did for the financial contracting side, what EUA did to the drug regulation side](#).

In short, the fake “clinical trials” were a PSYOP to convince people to get the injections.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
