As [Ron Paul recently exclaimed](#), the war propagandists are very active and are winning over the support of many unsuspecting American citizens. So we thought the followingg 90 seconds of 'pure Paul' would provide a refreshingly *different* perspective as he explains, "*I'm not pro-Russia, I'm not pro-Putin, I'm pro-facts.*"

"The Ukraine coup was planned by NATO and EU... The best thing we can do for Ukraine is get the foreigners out."

[As Ron Paul previously concluded](#):

Our government has no more credibility in telling us the truth about the facts that require us to expand our military presence in this region than Brian Williams.

Constant war propaganda has proven too often to be our nemesis in supporting constant war promoted by the neoconservatives and the military industrial complex.

...

The only way that Congress can be persuaded to back off with our dangerous interventionism, whether it's in the Middle East or Ukraine, is for the American people to speak out clearly in opposition.
