It is exactly as I told you. Russiagate is a conspiracy between the FBI, the DOJ, and the Hillary campaign to overturn Donald Trump's election. We have treason committed at the highest levels of the FBI and Department of Justice and the Democratic National Committee.

If you believed one word of Russiagate, you now must laugh or cry at your incredible gullibility.

This scandal should also bring down the prostitute media who have done the dirty work for the conspiracy against Trump.
