In this short video, the current Vice President of Veterans for Peace, Gerry Condon, denounces America's bogus wars in Afghanistan and other parts of the world.

We are told US foreign policy is "a total failure" and that "it's time for the US to seek other means other than military to seek their policy goals in the world." For him, US imperialism, which carries on spreading like poison, must be tamed: "It's a miracle we got through the Cold War without having a nuclear confrontation and we shouldn't be reckless with tempting that possibility today."
