## [Space Odyssey 2021: The Big Failure](#)

By [South Front](#), July 15, 2021

On July 11, an outstanding news shook the world. The space race between two notorious millionaires Jeff Bezos and Richard Branson, was allegedly won by the latter. Branson went up into space nine days before Bezos. In response, Blue Origin refused to recognize Virgin Galactic's voyage as a space flight.

## [MH17 Trial Judge Reveals US Intelligence Switch — From Satellite Images Which Don't Exist in Washington to Tapes and Videos Fabricated in Kiev](#)

By [John Helmer](#), July 15, 2021

In a new ruling read out in a Dutch courtroom yesterday, the judge presiding in the trial of allegations against the Russian state, military command and four named soldiers for shooting down Malaysia Airlines Flight MH17 revealed new details of the US evidence allegedly proving that a Russian missile caused the crash.

## [Red Alert in Iraq... Time for the U.S. to Decide](#)

By [Amro Allan](#), July 15, 2021

No American soldiers have been killed in these recent intense activities in Iraq and Syria. However, Michael Knights, a fellow at the Washington Institute for Near East Policy, explains 'It's already very intense. The strikes aren't killing people, but they could, easily, if they want them to', and he adds 'The missile defences are quietly working quite well. But what we haven't seen is determined efforts to kill Americans'.

## [Canadian Doctor: 62% of Patients Vaccinated for COVID Have Permanent Heart Damage](#)

By [Brian Shilhavy](#), July 15, 2021

We have previously covered the story of Dr. [Charles Hoffe](#), the brave doctor who has been practicing medicine for 28 years in the small, rural town of Lytton in British Columbia, Canada. After he had administered about 900 doses of the Moderna experimental mRNA COVID-19 injections, he sounded the alarm over the severe reactions he was observing in his patients who chose to get the shot (he chose NOT to get it himself), which included death.

## [To the People of Cuba: Is Washington Preparing a “Soft Coup”? The Co-optation of Cuban Intellectuals](#)

By [Prof Michel Chossudovsky](#), July 15, 2021

The Cuban Revolution constitutes a fundamental landmark in the history of humanity, which challenges the legitimacy of global capitalism. In all major regions of the World, the Cuban revolution has been a source of inspiration in the relentless struggle against neo-colonial domination and US imperialism.

## [Ukraine Reprised: Victoria Nuland Discusses Belarus with Ukrainian Official](#)

By [Rick Rozoff](#), July 15, 2021

Under Secretary of State for Political Affairs Victoria Nuland held a phone conversation with the Head of the Ukrainian President’s Office Andriy Yermak to discuss what the National News Agency of Ukraine reported was the situation in Belarus. The two were described as having “expressed concern” over developments in Ukraine’s northern neighbor. A nation doesn’t want Nuland to be concerned, much less gravely concerned over its internal affairs given her political track record.

## [Graphene Meets RNA Technology, for Cancer Vaccines](#)

By [Jon Rappoport](#), July 15, 2021

As soon as Operation Warp Speed was announced, I made it clear that one of the prime goals was: winning approval for experimental RNA technology. RNA tech had never gotten a green light prior to the COVID vaccine. Why? Because it was highly dangerous. Generally speaking, massive inflammatory response was the issue: the body attacks itself.

## [The Nuclear Race Accelerates](#)

By [Manlio Dinucci](#), July 15, 2021

At the Redzikowo base in Poland, work has begun on the installation of the Aegis Ashore system, at a cost of more than \$180 million. It will be the second U.S. missile base in Europe, after that of Deveselu in Romania became operational in 2015. The official function of these bases is to protect, with the “shield” of SM-3 interceptor missiles, the U.S. forces in Europe and those of European NATO allies from “current and emerging ballistic missile threats from outside the Euro-Atlantic area”.

## [China’s Lead in Artificial Intelligence \(AI\) Technology and Quantum Computers](#)

By [Karsten Riise](#), July 15, 2021

China is no longer in a position of technological inferiority but instead sees itself as close to catching up with and overtaking the United States in AI. The USA still trots on its idea of yesterday as if it were still the new thing – something called “informatized” (信息化) warfare. China is conceptually already beyond the US. China now implements “intelligentized” (智能化) warfare.

## [The SCO's New Great Game in Central Asia: China’s Economic Corridor into Afghanistan](#)

By [Pepe Escobar](#), July 15, 2021

Chinese Foreign Minister Wang Yi is on a Central Asian loop all through the week. He’s visiting Turkmenistan, Tajikistan, and Uzbekistan. The last two are full members of the Shanghai Cooperation Organization, founded 20 years ago.
