[“7 Countries in 5 Years” - Regime Change in Iran Coming Soon?](#)

By [Gavin O'Reilly](#), December 17, 2024

In March 2011, following Assad’s refusal two years prior to allow US-ally Qatar to build a pipeline through his country, citing his relationship with Russia as a factor, a plan was put into action to remove the Syrian President from power.

[The Indian Model of Financial Multipolarity Is the Most Relevant for the Global South](#)

By [Andrew Korybko](#), December 17, 2024

Few can afford to be massively tariffed by the US, let alone sanctioned, and most aren’t willing to burn their bridges with the US for ideological reasons at the expense of their immediate economic interests.

[Hundreds Dying in Mayotte Cyclone Indicating Years of Neglect in This French Territory](#)

By [Bharat Dogra](#), December 17, 2024

While several reports on the Mayotte cyclone have spoken of hundreds of people dying, other reports, which have also quoted local officials, have expressed the apprehension that the number of dead may even be in the thousands.

[Imperialism Remains Existential Military and Economic Threat to Africa](#)

By [Abayomi Azikiwe](#), December 17, 2024

A gathering of the Economic Community of West African States (ECOWAS) in Abuja, Federal Republic of Nigeria, on December 15 failed to resolve the political differences between the regional body and three of its members: Mali, Burkina Faso and Niger.

[“Weaponizing East-West Trade: EU Undermines Europe’s Economy by Approving A 15th Sanctions Package on Russia](#)

By [Ahmed Adel](#), December 17, 2024

The Council of the European Union announced the approval of the 15th round of sanctions against Russia on December 16. Clearly, by imposing a new package of sanctions, the EU is willing to continue destroying its own industries by persisting on a policy of economic warfare despite the boomerang effects.

[Environmental Modification Techniques \(ENMOD\) and the Turkey-Syria Earthquake: Erdogan Prevails against Washington](#)

By [Prof Michel Chossudovsky](#), December 18, 2024

Since the February 2023 earthquakes in Turkey and Syria, several regions of the World have experienced “extreme weather conditions” and “climate events” including earthquakes, floods, and wildfires. Were these events the result of environmental modification techniques (ENMOD) and geo-engineering (e.g. Morocco, Libya, Hawaii...)?

[Syria’s Sednaya Prison or How to Occult Israeli Crimes](#)

By [Mouna Alno-Nakhal](#), December 17, 2024

In recent days, official medias of Western-Arab-Zionist countries and malicious users of social network have attempted, once again, to lobotomize people by claiming, with supporting photos and videos, that the Syrian president is indeed the butcher of the people and that the Al-Nosra Front, aka HTS for Hay’at Tahrir al-Sham, is doing a good job in Syria.
