## [9/11 and COVID Hoaxes: Disguising Bioweapons as “Medical Cures”](#)

By [Prof. Anthony J. Hall](#), July 20, 2023

Clearly there’s a growing array of people out there who recognize that some knowledge of the lies and crimes of 9/11 are important in developing understanding of most of the big things that have happened since Sept. 11 of 2001. True knowledge of 9/11 helps to explain the making of “the death cult” of mass illusion that is currently engulfing us.

## [The Afghanistan Lithium Great Game](#)

By [Dr. Binoy Kampmark](#), July 21, 2023

While the United States, along with its allies, left Afghanistan in August 2021 in spectacularly humiliating circumstances, the departure was never entirely complete, nor bound to be permanent. Since then, Washington has led the charge in handicapping those who, with a fraction of the resources, defeated a superpower and prevailed in two decades of conflict.

## [US Presses Ukraine for “Decisive Breakthrough”: “Ukrainian Forces Are Being Methodically Neutralised”. Heavy Casualties](#)

By [Ahmed Adel](#), July 21, 2023

US officials are concerned that Ukraine is not making enough progress in its much-heralded counteroffensive, The Washington Post reported on July 18, citing unnamed sources. According to the media outlet, the US is urging Kiev to commit to a decisive breakthrough as Ukrainian commanders are, supposedly, yet to employ the full-scale offensive tactics Western instructors taught them.

## [“The Weaponization of the Federal Government”: The FBI’s Collaboration with a Compromised Ukrainian Intelligence Agency to Censor American Speech](#)

By [U.S. House of Representatives](#), July 20, 2023

The First Amendment to the Constitution of the United States is the bedrock of our political system and guarantees every American the right to speak his or her mind freely and without interference from the government. It is predicated on the understanding that no government official has a monopoly on the truth and that every American is capable of evaluating competing claims and deciding what to believe.

### [South Africa Showed That BRICS Isn't What Many of Its Supporters Assumed](#)

By [Andrew Korybko](#), July 20, 2023

For as much as the ruling African National Congress might sincerely want to host President Putin and accelerate financial multipolarity processes through close cooperation with Russia via BRICS, the "politically inconvenient" fact is that it ultimately chose to submit to Western pressure and not do so. Building upon this observation and the precedent established by the simple thought of sanctions enforcing compliance with foreign demands, BRICS clearly isn't what many of its supporters assumed.

### [Food Insecurity in Africa and the Politics of NATO Expansion. A Global Food Crisis Is Looming](#)

By [Abayomi Azikiwe](#), July 20, 2023

United Nations affiliated humanitarian and development agencies are reporting that many countries across the African continent are experiencing food insecurity. This phenomenon is related to at least three major factors: the sanctions imposed on the Russian Federation led by the United States, the United Kingdom and the European Union (EU); an inflationary spiral triggered by the impact of the pandemic; along with the worsening aspects of climate change.
