Dear Readers,

More than ever, Global Research needs your support. Our task as an independent media is to "Battle the Lie".

"Lying" in mainstream journalism has become the "new normal": mainstream journalists are pressured to comply. Some journalists refuse.

Lies, distortions and omissions are part of a multibillion dollar propaganda operation which sustains the "war narrative".

While "Truth" is a powerful instrument, "the Lie" is generously funded by the lobby groups and corporate charities. And that is why we need the support of our readers.
