[Mexico's Struggle Against Imposition of GM Corn by USA Needs Wide Support as People's Basic Right to Safe Food Is Threatened](#)

By [Bharat Dogra](#), April 28, 2024

How sweeping can the reach of imperialism become, and what extreme forms can it take? Can it even take such an atrocious form as to decide what people of other countries will eat? Can it become so draconian as to insist that people have to eat food that they do not consider to be safe, or are prevented from growing and eating food they consider to be safe?
