[America's Most Criminal Act: The Atomic Bombings of Japan](#)

By [Chaitanya Davé](#), August 08, 2024

Yet after some 60 years, the United States government and its compliant mass media have succeeded in hiding the truth from the rest of the world. Due to massive propaganda, the most common belief amongst the people about these horrific acts is that the United States government used the atomic bombs to save from a quarter to half a million American soldiers' lives by forcing immediate Japanese surrender. Yet the truth of the matter is quite different.

[Why Did America Give Away Its Manufacturing Jobs? Paul Craig Roberts](#)

By [Dr. Paul Craig Roberts](#), August 07, 2024

Adam Smith and David Ricardo's theory of free trade rests on the principle of comparative advantage. What this means is that a country's capital remains employed at home and is employed in areas in which the capital is best used. If all countries do this, there are gains from trade, and all countries will be better off than if they are self-sufficient.

[Natural Farming Cannot Co-exist with GM Crops](#)

By [Bharat Dogra](#), August 08, 2024

Some countries are taking up the promotion of natural farming crops which is very welcome. However a big problem and constraint arises when they say at the same time that they will spread GM crops, forgetting that natural farming cannot co-exist with GM crops. Apart from the high risk of contamination, there is the wider reality that GM crops involve very high environment, safety and health risks.

[American Theocracy: Politics Has Become Our National Religion](#)

By [John W. Whitehead](#) and [Nisha Whitehead](#), August 08, 2024

Pay close attention to the political conventions for presidential candidates, and it becomes immediately evident that Americans have allowed themselves to be brainwashed into worshipping a political idol manufactured by the Deep State.

[The US Is Preparing for an Unwinnable War Against China?](#)

By [Megan Russell](#), August 08, 2024

The potential use of nuclear weapons is often disregarded as a side note, but it shouldn't be. According to [experts](#), conflict between the US and China could easily escalate into nuclear war- and a nuclear winter isn't much farther away.

[Japanese PM Did Not Mention US During Hiroshima Nuclear Bomb Commemoration](#)

By [Ahmed Adel](#), August 08, 2024

Interestingly, in his speech at the memorial ceremony for the victims of the atomic bombing of Hiroshima, Kishida did not mention that the nuclear bomb had been dropped on the city by the US.

[Microplastic: Not Therapeutic for Human Organs](#)

By [Ben Bartee](#), August 07, 2024

It seems to me that perhaps most of us mere mortals (perhaps not in this audience, but in the general population) haven't yet begun to appreciate the massive public health threat that ubiquitous plastic poses — in the air, in the water, in the food, in the condoms, anything and everything — the greatest single ongoing environmental catastrophe on Earth, hands down.
